### Concept

Description of proposed side event, including objective, expected results, proposed programme and speakers\* /  
 Description de la réunion parallèle proposée, y compris les objectifs, les résultats attendus, l'ordre du jour et les orateurs\* :  
**Moderator: Dr Etienne Krug**

**Organizers: Governments of Benin, Tanzania, Ethiopia**

**Injury is responsible for nearly 10% of the global burden of disease, and disproportionately impacts vulnerable populations whose access to emergency care is limited. Emergency care is an essential component of Universal Health Coverage, and the first point of contact with the health system for many. A robust emergency care system is also a critical foundation for effective disaster response.**

#### Objectives:

- 1. Identify shared challenges and priority needs across countries to ensure access to timely care for injury**
- 2. Discuss strategies for strengthening access to timely care for the injured in LMICs**
- 3. Identify effective mechanisms and partners to advocate for injury care as an essential component of UHC.**

#### Expected outputs:

- 1. Increased awareness of the essential role of timely care for the injured in UHC and implementation of GPW13**
- 2. Improved understanding of effective advocacy and implementation strategies to strengthen health systems to deliver timely care for the injured.**
- 3. Engagement of a range of international partners for collaboration on the implementation of initiatives to improve care of the injured**

**Format: Brief presentations and moderated panel discussion**

**Who should attend: Governments, International agencies, NGOs and academics**
