Provisional agenda for and duration of the Fifty-first World Health Assembly

According to Rule 4 of the Rules of Procedure of the Health Assembly, the Board shall prepare the provisional agenda of each regular session of the Health Assembly after consideration of proposals submitted by the Director-General.

1. The attached proposals submitted by the Director-General take into account the provisions of resolution WHA50.18 which revised the method of work of the Health Assembly.

2. Attention is drawn to Rule 34 of the Rules of Procedure of the Health Assembly, according to which:

   the Health Assembly, after consideration of the recommendations of the Board and the General Committee, shall allocate items of the agenda to the two main committees in such a way as to provide an appropriate balance in the work of these committees.

3. In its decision WHA30(xvi) the Thirtieth World Health Assembly (1977) requested the Executive Board to fix the duration of each session. It is proposed that the duration should be restricted to six days which is the length provided for in the approved programme budget for the financial period 1998-1999.

4. A draft preliminary daily timetable for the Fifty-first World Health Assembly is submitted in document EB101/INF.DOC./1. This draft preliminary timetable takes into account resolution WHA48.16, which calls for a “special event connected to the World Health Assembly of 1998, in conjunction with the fiftieth anniversary of WHO”, in order to secure high-level political endorsement of the new global health policy. One half day is reserved for this activity.
