Relations with nongovernmental organizations

The Executive Board,

Having examined the report of its Standing Committee on Nongovernmental Organizations,¹

1. DECIDES to establish official relations with the International Association for the Study of Obesity and the Global Forum for Health Research;

2. DECIDES to discontinue official relations with the International Sociological Association and the International Medical Society of Paraplegia;

3. DECIDES, pending the development of mutually agreed plans for collaboration, to suspend official relations with the International Council of Societies of Pathology and the World Federation of United Nations Associations.

Twelfth meeting, 22 January 2001
