Confirmation of amendments to the Staff Rules

Report by the Secretariat

1. Amendments to the Staff Rules made by the Director-General are submitted for confirmation by the Executive Board in accordance with Staff Regulation 12.2.2

2. The amendments described in section I of this document stem from decisions expected to be taken by the United Nations General Assembly at its fifty-ninth session, on the basis of recommendations made by the International Civil Service Commission. Should the General Assembly not be in agreement with the recommendations that resulted in the amendments in section I, an addendum to this document will be issued.

3. The amendments described in section II of this document are made in the light of experience and in the interest of good personnel management.

4. The financial implications of the amendments in the 2004-2005 biennium include a small additional cost that will have to be met from the appropriate allocations established for each of the regions and for global and interregional activities under the regular budget as well as from extrabudgetary sources of funds.

5. The text of the amended Staff Rules is given in the Annex to this document.

I. AMENDMENTS CONSIDERED NECESSARY IN THE LIGHT OF DECISIONS EXPECTED TO BE TAKEN BY THE UNITED NATIONS GENERAL ASSEMBLY AT ITS FIFTY-NINTH SESSION ON THE BASIS OF RECOMMENDATIONS OF THE INTERNATIONAL CIVIL SERVICE COMMISSION

Remuneration of the professional and higher categories

6. The International Civil Service Commission is recommending to the United Nations General Assembly an upward adjustment of 1.88% of the base/floor salary scale of the United Nations common system for the professional and higher categories, to take effect from 1 January 2005, in order to bring that base/floor salary scale into line with the salaries of the comparator civil service

---

1 Copies of the Staff Rules and Staff Regulations are available in the meeting room for Board members.

(United States federal civil service in Washington, DC). The adjustment consists of a consolidation of post adjustment (the cost-of-living element) into base net salary on a no-loss/no-gain basis, thereby ensuring, inter alia, that allowances that are linked to the base/floor salary scale (the mobility and hardship allowance and certain separation payments) keep pace with inflation. The staff assessment scale to be used in conjunction with gross base salaries effective 1 January 2005 remains unchanged. Amendments to Staff Rule 330.2 have been prepared accordingly. In addition, an editorial change to Rule 330.2 is referred to in paragraph 14 of this document.

Salaries of staff in ungraded posts and of the Director-General

7. Further, subject to the pending decision of the United Nations General Assembly, the Director-General proposes in accordance with Staff Regulation 3.1 that the Executive Board recommend to the Fifty-eighth World Health Assembly modifications in the salaries of Assistant Directors-General and Regional Directors. Thus, the gross salary for Assistant Directors-General and Regional Directors would be US$ 172 860 per annum, resulting in a net salary of US$ 117 373 (dependency rate) or US$ 106 285 (single rate).

8. The adjustments to salaries described in paragraph 7 would imply similar adjustments to the salary of the Director-General. The modification in salary to be authorized by the Health Assembly would result in a gross salary of US$ 233 006 with a corresponding net salary of US$ 154 664 (dependency rate) or US$ 137 538 (single rate).

Review of the levels of the education grant

9. In accordance with the approved methodology, under which the levels of the education grant are reviewed biennially, the Commission is recommending to the United Nations General Assembly an increase in the maximum admissible expenses and the maximum education grant in the following countries/currency areas: Austria (euro), Belgium (euro), Denmark (krone), France (euro), Germany (euro), Ireland (euro), Italy (euro), Japan (yen), Netherlands (euro), Spain (euro), Sweden (krona), Switzerland (Swiss franc), United Kingdom of Great Britain and Northern Ireland (pound sterling), the United States dollar in the United States of America and the United States dollar outside the United States of America.

10. Also in line with the approved methodology, the Commission is recommending that the flat rates and the additional amounts for reimbursement of boarding costs over and above the maximum grant payable to staff members at designated duty stations should be revised in the following countries/currency areas: Austria (euro), Denmark (krone), France (euro), Ireland (euro), Italy (euro), Netherlands (euro), Norway (krone), Spain (euro), Sweden (krona) and the United Kingdom of Great Britain and Northern Ireland (pound sterling). The changes to the levels of the education grant are applicable as from the school year in progress on 1 January 2005. Additional amendments to Staff Rules 350 and 355 are contained in paragraphs 16 to 18.

Paternity leave

11. In January 2001, the Executive Board confirmed the introduction of up to five days’ paternity leave on a trial basis for two years, to be reviewed in the light of developments in the common system.¹ The trial period was extended until January 2004² in the expectation that the review to

---

¹ Resolution EB107.R7.
² Resolution EB111.R8.
be undertaken by the Commission would have been completed by that time. It was then further extended to January 2005\(^1\) pending a decision by the Commission.

12. The duration of paternity leave allowed by separate organizations of the United Nations common system varies from one day to eight weeks. In the light of these existing provisions, the Commission is recommending the granting of paternity leave of four weeks for staff assigned to headquarters and family duty stations, and up to eight weeks for staff at non-family duty stations or in exceptional circumstances, such as complications of pregnancy or the death of the mother. Staff Rule 760.6 has been amended accordingly.

II. AMENDMENTS CONSIDERED NECESSARY IN THE LIGHT OF EXPERIENCE AND IN THE INTEREST OF GOOD PERSONNEL MANAGEMENT

Salary determination

13. To respond to the Organization’s needs, a staff member may be required to assume temporarily the responsibilities of an established post at a higher grade for longer than the 12 month period specified in Staff Rule 320.5. As a result, a degree of flexibility in the implementation of this Staff Rule is introduced. Staff Rule 320.5 has been amended accordingly.

Salaries

14. The schedule of salaries contained in Staff Rule 330.2 is moved to Appendix I to the Staff Rules. This format will facilitate administrative aspects of future updating. Staff Rule 330.2 has been amended accordingly.

Dependants’ allowances

15. The US dollar amounts of dependants’ allowances for staff members in the professional or higher category are removed. In line with United Nations practice, the amounts of dependants’ allowances will be announced separately and will include not only the US dollar amount but also the local currency amounts in designated countries established on the basis of amounts recommended by the International Civil Service Commission. Any changes in the amounts of dependants’ allowances will be included as part of the Report of the International Civil Service Commission which is submitted to the Executive Board each year. Staff Rule 340 has been amended accordingly.

Education grant and special education grant for disabled children

16. Staff Rule 350 is amended to simplify its presentation. As well, an inadvertent difference in treatment of those children pursuing non-university studies is removed and the possibility of extending the age limit for the grant due to national service or illness is introduced. These two latter changes align WHO’s Staff Rules with those of the United Nations and other organizations in the common system.

---

\(^1\) Resolution EB113.R13.
17. A correction is made to the terminology used in Staff Rule 355 to ensure consistency. The Staff Rule is also amended to clarify and simplify the terms of the special education grant. The age limit of 25 years has been removed to align WHO’s Staff Rules with those of the United Nations and other organizations in the common system. In some conditions, to be determined by the Director-General, the age limit may be extended up to the end of the academic year in which the child reaches the age of 28.

18. The US dollar amounts of education grant are removed from Staff Rules 350.1, 350.2.2 and 355. Instead, a comprehensive list, which will include not only the US dollar amount but also the local currency amounts in designated countries established on the basis of amounts recommended by the International Civil Service Commission, is contained in Appendix II to the Staff Rules. This format will facilitate administrative aspects of future updating. Staff Rules 350.1, 350.2.2 and 355 have been amended accordingly.

Repatriation grant and removal of household goods

19. The addition of a new rule to the existing provisions of Staff Rules 370 and 855 is intended to avoid duplication of entitlements when both spouses are staff members of organizations of the United Nations common system. The amendment will be supplemented by provisions determined by the Director-General.

Payments and deductions

20. The second sentence of Staff Rule 380.3.1 is deleted and incorporated into Staff Rule 550.1 (within-grade increase) to avoid an unnecessary cross-reference. The last sentence of Staff Rule 380.3.1 is deleted since, with the introduction of computerization, it is no longer the case that the effective date of an increase in salary is the first of the month nearest the date of final approval. For example, a reassignment and promotion can take effect from any day of the month.

Staff member’s beneficiaries (new Staff Rule 495)

21. In the event of the death of a staff member, payments due have been made to the eligible dependants or to the estate of the staff member. This process can involve a lengthy administrative process. The introduction of Staff Rule 495 will formalize a process whereby the staff member will nominate a beneficiary or beneficiaries at the time of appointment. The staff member will be responsible for notifying the Organization of any revocations or changes of beneficiaries and payments will be made to the nominated beneficiaries. The introduction of this Rule aligns WHO’s Staff Rules with those of the United Nations. Rule 630.8 has been amended to reflect the provisions of this new Rule.

Within-grade increase

22. Staff Rule 550.1 is amended to clarify the effective date for a within-grade increase without cross-reference to Staff Rule 380.3.1.

Special leave

23. Special leave with full, partial or no pay may be granted at the request of the staff member. However, there are instances when a staff member may be placed on special leave in the interests of the Organization. Staff Rule 650 has been amended accordingly.
Sick leave

24. Staff Rule 740.1 has been edited to reflect actual implementation of sick leave provisions. There is no requirement that the granting of sick leave be limited to only one illness.

ACTION BY THE EXECUTIVE BOARD

25. In the light of these revisions, the Board may wish to consider the following draft resolutions.

Resolution 1

CONFIRMS, in accordance with Staff Regulation 12.2, the amendments to the Staff Rules that have been made by the Director-General with effect from 1 January 2005 concerning the remuneration of staff in the professional and higher categories, paternity leave, salary determination, schedule of salaries, dependants’ allowances, education grant and special education grant, repatriation grant, payments and deductions, staff member’s beneficiaries, within-grade increase, special leave, sick leave, removal of household goods and, with effect from the school year in progress on 1 January 2005, levels of education grant and special education grant for disabled children.
