Provisional agenda item 6.1

EB117/19
16 January 2006

Status of collection of assessed contributions, including Members in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution

Report by the Director-General

STATUS OF COLLECTION

1. In order for WHO to deliver the approved programme budget in full, contributions from Member States must be received in full and on time. Payments are due annually as of 1 January for the year to which they relate. Late payment has been of serious concern to successive Executive Boards and Health Assemblies.

2. At 31 December 2005, the rate of collection for the year was 90%, the same as at 31 December 2004 (see Annex 1, Figure 1). Of Member States, 128 have paid in full and a further 24 have paid in part (see Annex 1, Figure 2). For the biennium 2004-2005, as at 31 December 2005, 94% of the assessed contributions had been collected. Those Member States yet to make full payments of assessed contributions for 2005 (and prior years, if applicable) are urged to make such payments as soon as possible so that the budget may be fully financed.

3. Annex 2 shows the status of collection of annual regular budget contributions as at 31 December 2005, and lists all amounts due from each Member State, up to and including 2005. Unpaid contributions include amounts that are due as at 31 December 2005, and amounts due in future under special arrangements authorized by the Health Assembly but which may be paid in the future under an instalment scheme. On 31 December 2005, a total of some US\$ 82 million was owing from Member States and Associate Members, with a further US\$ 58 million due under special arrangements referred to above (see Annex 2, Sections 1 and 2). The equivalent figures at 31 December 2004 were US\$ 125 million and US\$ 12 million, respectively. The increase in amounts due under special arrangements follows the approval by the Fifty-eighth World Health Assembly of new arrangements for some Members with long-standing arrears.

4. The total value of payments received in advance for 2006 is similar to 2005 with 25 Member States having paid in full in advance, the same as last year (Annex 2, Section 3).

MEMBERS IN ARREARS

5. Article 7 of the Constitution states that “If a Member fails to meet its financial obligations to the Organization ... the Health Assembly may ... suspend the voting privileges and services to which a Member is entitled”.

6. In accordance with resolution WHA41.7, if at the time the Health Assembly opens a Member is in arrears in the payment of its financial contributions in an amount that equals or exceeds the amount of the contributions due from it for the preceding two full years, the Health Assembly will adopt a decision, unless there are exceptional circumstances justifying a different measure, under which the voting privileges of the Member will be suspended as from the opening day of the following Health Assembly, if at that time the Member is still in arrears to the extent referred to. If the Member is no longer in arrears to the said extent, the decision will lapse and the suspension will not take effect.

7. Pursuant to resolution WHA41.7, subsequent Health Assemblies have adopted resolutions whereby the voting privileges of the 16 Member States listed in Annex 3 have been suspended, the suspension to continue at the Fifty-ninth and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

8. Pursuant to the adoption by the Health Assembly of resolution WHA58.7, the voting privileges of Uruguay will be suspended as from the opening of the Fifty-ninth World Health Assembly in May 2006, if at that time this Member is still in arrears in the payment of its contributions to an extent that would justify invoking Article 7 of the Constitution.

9. Seven other Member States, namely Belarus, Bolivia, Democratic Republic of the Congo, Dominica, Gambia, Papua New Guinea and Peru are presently in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as shown in Annex 3.

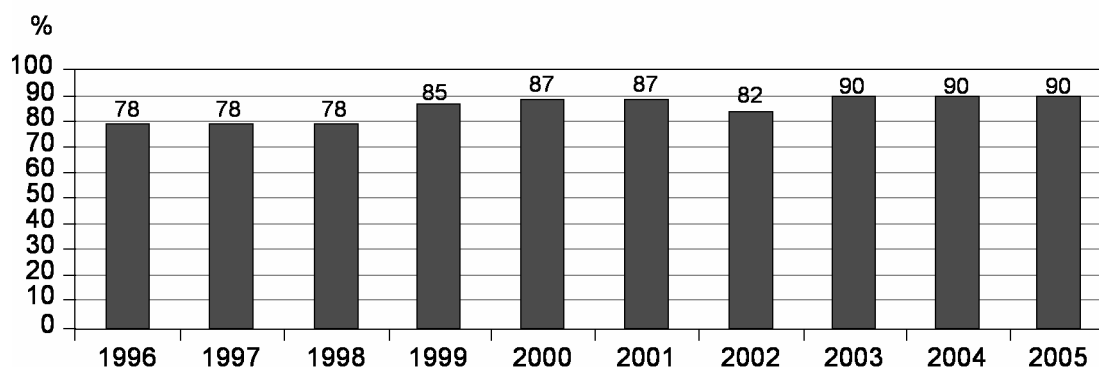

10. Immediately before the opening of the Fifty-ninth World Health Assembly, the Director-General will report further to the Programme, Budget and Administration Committee of the Executive Board on the Members referred to in paragraph 9 above so that the Committee may formulate recommendations to the Health Assembly based on the provisions of resolution WHA41.7 and the status of the arrears at that time.

11. If at that time the Members concerned are still in arrears to the extent referred to in paragraph 9 above and pursuant to resolution WHA41.7, the Fifty-ninth World Health Assembly will adopt a decision, unless there are exceptional circumstances justifying a different measure, by which the voting rights of these seven Member States will be suspended as from the opening day of the Sixtieth World Health Assembly in May 2007.
