

Post of Director-General

Draft contract

1. For the purpose of the consideration by the Executive Board of the terms of appointment of the Director-General, a draft contract is annexed to this document. The text of this draft contract is based on the previous contract recommended by the Board to the Health Assembly,¹ incorporating adjustments in emoluments since 2012.²
2. Pursuant to consideration by the International Civil Service Commission and the United Nations General Assembly of the pension arrangements for ungraded officials, and following the approach adopted at its 101st, 111th and 119th sessions, the Board may wish to authorize the Secretariat to consult the nominated candidates for the post of Director-General on this issue immediately after the current session of the Board, and to forward to the Health Assembly, as appropriate, an amendment to the contract in light of that consultation. Following this approach, the Secretariat would ascertain whether any of the nominated candidates would wish, if appointed to the post of Director-General, to join the United Nations Joint Staff Pension Fund or make his or her own arrangements in line with a specific option identified by the International Civil Service Commission and considered appropriate by the United Nations General Assembly, namely, that the Director-General would be paid the equivalent of the monthly pension contribution that would otherwise have been paid by the Organization to the Pension Fund (and thereby incurring no additional cost to the Organization).
3. If any of the nominated candidates were to decide upon the latter option, and if the Health Assembly were to concur, the contract could be amended by adding the following sentence to section II.(1):

The Director-General shall not participate in the United Nations Joint Staff Pension Fund and shall instead receive as a monthly supplement the contribution that the Organization would have paid each month to the Pension Fund had the Director-General been a participant.
