

Poliomyelitis

Draft decision proposed by Angola, Australia, Canada, Congo, Czech Republic, Finland, Germany, Ireland, Japan, Mexico, Monaco, New Zealand, Norway, Pakistan, South Africa, Sweden, Switzerland, United Kingdom of Great Britain and Northern Ireland and United States of America

The Executive Board, having considered the reports on poliomyelitis¹ and human resources: update;²

(PP1) recalled resolution WHA68.3 (2015) on poliomyelitis and encouraged Member States to ensure its full implementation;

(PP2) recalled previous discussions on the human resources aspects of the Global Polio Eradication Initiative in the Executive Board and the World Health Assembly, in particular on the issue of potential indemnities resulting from the termination of staff contracts;

(PP3) underlined the need for continued emphasis on an effective endgame effort to eradicate polio and the importance of ensuring that the Global Polio Eradication Initiative is fit for purpose, with adequate levels of qualified staff;

(PP4) emphasized the urgent need for effective transition planning, in line with the three main aims outlined in paragraph 19 of document EB140/13;

(PP5) further emphasized the need to continue to provide the appropriate, situation-specific and focused interventions, in particular in human resources and budgetary requirements, to the regions and countries where transmission has not been interrupted;

(PP6) recognizing the major and systemic challenges facing WHO that will result from the current winding-down of the Global Polio Eradication Initiative;

(PP7) called for appropriate prioritization of opportunities for internal reassignment so as to reduce potential liabilities and indemnities, in particular to strengthen the WHO Health

Emergencies Programme and the Expanded Programme on Immunization, with emphasis given to retaining the highest-performing staff;

(PP8) emphasized the need to accelerate opportunities to shift or reprofile the 43% of staff funded by the Global Polio Eradication Initiative who work in polio-free countries while ensuring that appropriate resources remain in place for surveillance;

(PP9) reiterated its expectation that recruitment of staff for the Global Polio Eradication Initiative be carried out without incurring any avoidable costs resulting from the foreseeable future termination of contracts, including by synchronizing contract end dates, and requested WHO to ensure that standard contracts that meet this requirement are available and are used,

(PP10) DECIDED to request the Director-General:

(1) to present to the Seventieth World Health Assembly a report which outlines the programmatic, financial, and human-resource-related risks resulting from the current winding-down and eventual discontinuation of the Global Polio Eradication Initiative, as well as an update on actions taken and planned to mitigate those risks while ensuring that essential polio-related functions are maintained, and to present a first draft of that report to a meeting of Member States before the end of April 2017;

(2) to continue reporting regularly to the Health Assembly, through the Executive Board, on the planning and implementation of the transition process.
