Consejo Ejecutivo
140.ª reunión
Punto 12.2 del orden del día provisional

Contribuciones señaladas de los Estados Miembros
y los Miembros Asociados en las que se muestra
un aumento del 10% en la financiación total
de las contribuciones señaladas
para 2018-2019

1. El Grupo de Alto Nivel sobre la Respuesta Mundial a las Crisis Sanitarias recomendó que los Estados Miembros de la OMS aumentaran sus contribuciones señaladas a la OMS en al menos un 10%.\(^1\) En consonancia con esta recomendación, la Directora General propone un aumento de US$ 93 millones en las contribuciones señaladas para 2018-2019. Si la 70.ª Asamblea Mundial de la Salud acepta la propuesta cuando examine el proyecto de presupuesto por programas 2018-2019 para su aprobación, las contribuciones señaladas pagaderas por cada Estado Miembro serán las que se indican en el cuadro que figura a continuación. Los montos incluyen la estimación de los ajustes por iguala de impuestos, cuando proceda, y se expresan en dólares de los EE.UU.\(^2\)

2. Se indican los montos para cada año del bienio actual y el próximo (es decir, de 2016 a 2019, inclusive). Las escalas de contribuciones utilizadas son la escala aprobada para 2016, la escala aprobada para 2017,\(^3\) y la escala propuesta para 2018-2019,\(^4\) que no ha variado con respecto a la de 2017.

3. Las diferencias que se observan entre los montos pagaderos para 2016 y 2017 se deben a dos factores: en primer lugar, a la variación en la escala aprobada en 2017; y en segundo lugar, al aumento del 10% en la financiación del total de las contribuciones señaladas. Por lo tanto, en el caso de los Estados Miembros con porcentaje aumentado de la escala de contribuciones, el aumento total en la contribución señalada es superior al 10%, mientras que para los que tienen un porcentaje reducido, el aumento es inferior al 10%. Para 49 Estados Miembros el descenso en el porcentaje de la escala de contribuciones es superior al 10%, lo que da lugar a que la contribución señalada total que corresponde pagar a estos Estados Miembros sea inferior a la de 2016.

4. Si se comparan las contribuciones señaladas de 2017 y 2018, el aumento es exactamente el 10% para todos los Estados Miembros, puesto que cada año es aplicable la misma escala.

---

\(^1\) Véase el documento EB140/36, párr. 49.

\(^2\) Con arreglo a lo dispuesto en la resolución WHA66.16 (2013), cuando las contribuciones señaladas anuales asciendan a US$ 200 000 o más, la factura se dividirá a partes iguales en dólares de los Estados Unidos y en francos suizos.

\(^3\) Resolución WHA69.14 (2016).

\(^4\) Documento EB140/37.
Cuadro. Contribuciones señaladas por Estado Miembro y Miembro Asociado en las que se muestra el aumento del 10% en la financiación del total de las contribuciones señaladas para 2018-2019
