

Addressing the global shortage of, and access to, medicines and vaccines

The Executive Board, having considered the report on addressing the global shortage of, and access to, medicines and vaccines,¹ decided to recommend to the Seventy-first World Health Assembly the adoption of the following decision:

The Seventy-first World Health Assembly, having considered the report on addressing the global shortage of, and access to, medicines and vaccines, decided to request the Director-General:

- (1) to elaborate a roadmap report, in consultation with Member States, outlining the programming of WHO's work on access to medicines and vaccines, including activities, actions and deliverables for the period 2019–2023;
- (2) to submit this roadmap report to the Seventy-second World Health Assembly for its consideration in 2019, through the Executive Board at its 144th session.
