

## **Maternal, infant and young child nutrition**

The Executive Board, having considered the biennial report on the comprehensive implementation plan on maternal, infant and young child nutrition,<sup>1</sup> decided:

- (1) to note the analysis on the extension to 2030 of the 2025 targets on maternal, infant and young child nutrition;
- (2) to approve the four remaining indicators of the Global Monitoring Framework on maternal, infant and young child nutrition, as set out in document EB142/22;
- (3) to invite Member States to consider the full list of indicators in their national nutrition monitoring frameworks and report in accordance with decision WHA68(14) (2015).
