

## **Global strategy and plan of action on public health, innovation and intellectual property**

### **Draft decision proposed by the Secretariat**

The Executive Board, having considered the report by the Director-General regarding the overall programme review of the global strategy and plan of action on public health, innovation and intellectual property,<sup>1</sup> and its annex, decided to recommend to the Seventy-first World Health Assembly the adoption of the following decision:

The Seventy-first World Health Assembly, having considered the report by the Director-General regarding the overall programme review of the global strategy and plan of action on public health, innovation and intellectual property, and its annex, decided to request the Director-General:

- (1) to take forward the recommendations of the review panel following the drawing up of a detailed implementation plan, in accordance with the review panel's recommendations;
- (2) to submit a report on progress made in implementing this decision to the Seventy-third World Health Assembly in 2020, through the Executive Board.
