

Implementation of the International Health Regulations (2005)

The Sixty-fourth World Health Assembly,

Recognizing the establishment of a Review Committee as provided for in Chapter III of Part IX of the International Health Regulations (2005), and the remit to review the functioning of the International Health Regulations (2005) as well as the response to pandemic (H1N1) 2009, in accordance with the objectives, scope, methodology and timeline accepted by the Executive Board at its 126th session;¹

Commending the successful conclusion of the work of the Review Committee on the Functioning of the International Health Regulations (2005) in relation to Pandemic (H1N1) 2009, the leadership of its Chairman, the dedication of its distinguished members, and the submission of its final report to the Director-General for transmittal to the Sixty-fourth World Health Assembly;

Having considered the final report of the Review Committee on the Functioning of the International Health Regulations (2005) in relation to Pandemic (H1N1) 2009,²

1. URGES Member States to support the implementation of the recommendations contained in the final report of the Review Committee on the Functioning of the International Health Regulations (2005) in relation to Pandemic (H1N1) 2009;
2. REQUESTS the Director-General:
 - (1) to present an update to the Sixty-sixth World Health Assembly, through the Executive Board, on progress made in taking forward the recommendations of the Review Committee on the Functioning of the International Health Regulations (2005) in relation to Pandemic (H1N1) 2009;
 - (2) to provide technical support to Member States in implementing the recommendations of the Review Committee on the Functioning of the International Health Regulations (2005) in relation to Pandemic (H1N1) 2009.
