Post of Director-General

Contract of the Director-General

1. In January 2017, the Executive Board at its 140th session considered an earlier version of this report and adopted resolution EB140.R4 (Post of Director-General: draft contract).¹

2. Pursuant to that resolution, the Executive Board submits to the Health Assembly the attached text of the draft contract (Annex) establishing the terms and conditions of appointment, salary² and other emoluments for the post of Director-General. In the resolution the Board recommends to the Health Assembly the adoption of a resolution approving the contract and authorizing the President of the Seventieth World Health Assembly to sign the contract in the name of the Organization.

3. Further to consideration by the International Civil Service Commission and the United Nations General Assembly at its forty-seventh session (1992) of the pension arrangements for ungraded officials, the Executive Board authorized the Secretariat to consult the nominees for the post of Director-General on this issue after the Board’s session and to forward to the Health Assembly, as appropriate, an amendment to the contract after that consultation. It requested the Secretariat to ascertain whether the nominees wished to join the United Nations Joint Staff Pension Fund or to make their own arrangements in line with a specific option identified by the International Civil Service Commission and considered appropriate by the United Nations General Assembly, namely, that the Director-General would be paid the equivalent of the monthly pension contribution that would otherwise have been paid by the Organization to the Pension Fund (the Organization would incur no additional cost).

4. If any of the nominated candidates were to decide upon the latter option, and if the Health Assembly were to concur, the contract could be amended by adding the following sentence to section II:

   The Director-General shall not participate in the United Nations Joint Staff Pension Fund and shall instead receive as a monthly supplement the contribution that the Organization would have paid each month to the Pension Fund had the Director-General been a participant.

The Secretariat has asked the nominees to indicate their intentions, as requested by the Board, and the decision of the Director-General elect will be reflected in the final contract.

ACTION BY THE HEALTH ASSEMBLY

5. The Health Assembly is invited to consider adopting the resolution recommended by the Executive Board in resolution EB140.R4.
