Plan of action on climate change and health in small island developing States

The Seventy Second World Health Assembly, having considered the draft plan of action on climate change and health in small island developing States,\(^1\) decided:

1. to note the plan of action on climate change and health in small island developing States;

2. to request the Director-General to report back on progress in the implementation of the plan of action on climate change and health in small island developing States to the Seventy-fourth World Health Assembly.

Seventh plenary meeting, 28 May 2019
