

## **Guide for delegates to the World Health Assembly**

### **DATE AND PLACE OF THE HEALTH ASSEMBLY**

The Seventy-second World Health Assembly will open in Geneva on Monday, 20 May 2019, at 09:30; it will close on Tuesday, 28 May 2019. The Health Assembly will be held in the Palais des Nations, located near Place des Nations and Avenue de la Paix, and is most easily reached by the entrance gate on Route de Pregny.

### **REGISTRATION PROCESS**

Online registration is required for the Health Assembly. **For security reasons, all delegates are required to wear photo ID badges in order to access the meeting rooms. For this reason, during the online registration process, the Focal Point will be asked to upload a passport-style photograph of each member of the delegation.**

Instructions for online registration, guidance on the nature of the image required, and brief instructions on how to upload and resize an existing image, are all available on the WHO website (<http://www.who.int/governance/registration/en/>).

Queries concerning the system can be addressed by email to [supportregistration@who.int](mailto:supportregistration@who.int) or communicated over the telephone by dialling the following number: +41 22 791 7111. Registration should be completed by 6 May 2019.

### **CREDENTIALS**

Credentials shall be issued by the Head of State, the Minister for Foreign Affairs, the Minister of Health, or any other appropriate authority, that is, Permanent Missions and senior government officials, such as Directors-General for Health. Member States shall be represented at the Health Assembly by no more than three delegates. Alternates and advisers may accompany delegates. Credentials should include the following information for each participant: LAST NAME (in capital letters), first name, title, function, institution, city and gender (unless indicated in title).

Although a copy of the credential will have been submitted through the online registration system, Member States must deliver the original credentials to the Secretariat (Office of the Legal Counsel) before the opening of the session of the Health Assembly. Only original documents are considered formal credentials by the Committee on Credentials.

## ARRIVAL IN GENEVA

Delegates, representatives or other participants travelling by air will arrive at Geneva airport (Cointrin), and those travelling by train at Geneva main station (Cornavin). Hotel reservations and other arrangements should be made well in advance. Taxis are available directly outside the airport and station.

## VISAS

Attention is drawn to the strict provisions in force regarding entry into Switzerland: the Swiss authorities refuse entry to people who do not have the required entry visa. Since 12 December 2008, Switzerland has applied the Schengen Agreement regulations concerning visas. As a result, participants requiring a visa to enter Switzerland must obtain a Schengen visa from the Swiss embassy or Consulate General responsible for handling their visa application in their country of residence. In countries where there is no Swiss representation, the visa application may have to be lodged in another country where the competent representation is located. Please note that Switzerland has also signed agreements with certain countries where it is not represented by a diplomatic or consular entity. Under certain conditions these agreements allow for the issuing of visas by a Schengen State in a country where Switzerland is not represented. It is therefore strongly recommended that all participants check directly with the Swiss Embassy or Consulate General whether such agreements apply in their case. Participants can find the nearest Swiss Embassy or Consulate General responsible for their place of residence by consulting the following link: <https://www.eda.admin.ch/eda/en/home/laender-reise-information.html>

Delivery of a Schengen visa may take up to 20 days, so any visa application should be lodged well in advance of the expected date of travel. It is recommended that participants apply for a Schengen Type C visa, which entitles the holder to visit or transit other Schengen States, including neighbouring France. Exceptional cases may arise when this type of visa does not allow entry to all Schengen States. Participants are therefore strongly advised to check their type of visa before travelling to, or transiting through, other Schengen States.

Applicants must attach a visa support letter to their application. Requests for a visa support letter should be sent, as soon as possible, to [visagbs@who.int](mailto:visagbs@who.int) **and include the name of the applicant as stated in the passport, function/title, employer, date of birth, nationality, passport number and details (date and place of issue and validity) and a copy of the delegate's credential.**

## ACCESS TO THE PALAIS DES NATIONS FOR THE HEALTH ASSEMBLY

The Health Assembly will meet in the Assembly block of the Palais des Nations. The Assembly block is conveniently reached by Doors (Portes) 13 and 15. The plenary meetings will be held in the Assembly Hall (Salle des Assemblées), which can be reached by stairway or lift from Door 13 or Door 15. The two main committees of the Health Assembly will meet in separate conference rooms, Committee A in Conference Room XVIII and Committee B in Conference Room XVII. Both rooms are located on the first floor of the E Building (Bâtiment E). **Smoking is not allowed at the Health Assembly.**

**Please note that only those individuals whose names appear on a valid credential and who have registered through the online registration system will be issued with an access badge. Access to the Palais des Nations and the meeting rooms will be restricted to persons wearing WHA72 badges. For security reasons, the access badge must be worn and visible to United Nations Office at Geneva security staff at all times.**

A shuttle service will be available to take delegates from WHO headquarters main entrance to the Palais. The shuttle will run from 07:00 to 18:00 daily and may be used by delegates of Member States wearing badges.

## ENQUIRY OFFICE

The Enquiry Office is located in the “Concordia” lobby, situated between Doors 13 and 15 (ext. 76300). It provides guidance on a range of matters of interest to participants, and will direct them to other services such as travel, mail, finance and communications. Personal mail can also be collected there. Lost property may be handed in or claimed at this office.

## LIST OF DELEGATES

A provisional list of delegates and other participants (document A72/DIV./1) will be available only on the WHO website ([http://apps.who.int/gb/e/e\\_wha72.html](http://apps.who.int/gb/e/e_wha72.html)) at the beginning of the Health Assembly (paper copies will not be distributed). This list will be issued on the basis of the credentials received by the Secretariat up to 16:00 on Sunday, 19 May. A revised list will be posted on the WHO website later. In the event of any official change in delegation membership, delegations are kindly requested to notify the Enquiry Office in writing on form WHO23 WHA, which is available at the Enquiry Office. The form should be signed by the chief delegate.

## ARRANGEMENTS FOR CONDUCT OF DISCUSSION IN PLENARY MEETINGS

In 1997 the Health Assembly approved arrangements for the conduct of the general discussion in plenary meetings, which have the following implications for the Seventy-second World Health Assembly.

Individual statements in plenary meetings are limited to 5 minutes (550 words) and regional statements to 10 minutes (1100 words). Delegates are requested to deliver statements at a normal speaking pace. Rapid delivery risks impeding clarity and accuracy in interpretation.

Timing will be regulated through the use of “traffic lights”, visible to the whole room, which turn orange after 4 minutes and red after 5.

Statements should focus on the theme of “Universal health coverage: leaving no-one behind”.

Delegates wishing to have their names placed on the list of speakers for the general discussion should notify the Department for Governing Bodies by email (piazzap@who.int). Delegates may opt for group or regional statements in lieu of individual statements.

Copies of statements to be made in the general discussion should be submitted to the Office of the Assistant to the Secretary of the Health Assembly, by email (interpret@who.int), or handed in to room A.654, or in the Assembly Hall, where the plenary meetings are held, by the morning of Monday, 20 May 2019. When submitting by email, please specify in the “Subject” and at the top of the statement, the name of the country and the meeting: “General Discussion”.

## INTERVENTIONS OF DELEGATES IN COMMITTEE A AND COMMITTEE B

Individual statements in Committees A and B are limited to 3 minutes (330 words) and regional statements to 5 minutes (550 words). Delegates are requested to deliver statements at a normal speaking pace. Rapid delivery risks impeding clarity and accuracy in interpretation.

Delegates wishing to have their name placed on the list of speakers in Committee A or Committee B, or to have draft resolutions and draft decisions distributed, should contact the Secretary of the Committee concerned (shown below).

Committee A:	Secretary:	Mr I. Roberts	office E.1066, ext. 86122
Committee B:	Secretary:	Dr C. Ondari	office E.2070, ext. 86123

## INTERPRETATION AND STATEMENTS

Interpretation is provided in the official languages (Arabic, Chinese, English, French, Russian and Spanish) to help delegates to follow the discussions. Delegates are requested to send a copy of statements they plan to make to interpret@who.int or to give a paper copy to the conference officers in the room **at least 30 minutes in advance**. This does not prevent delegates from making changes on delivery but will facilitate clarity and accuracy in all languages. When submitting by email, please specify in the “Subject” and at the top of the statement, the name of the country/group; the meeting (for example, Plenary, Committee A, Committee B, Executive Board); and the relevant agenda item number. Delegates are requested to deliver statements at a normal speaking pace. Rapid delivery risks impeding

clarity and accuracy in interpretation. Statements provided in advance are treated as confidential and checked against delivery for the purpose of the official record.

Delegates wishing to have their statements posted on the Health Assembly webpage (<http://apps.who.int/gb/statements/WHA72/>) or to share a longer statement containing additional information may send it to [statements@who.int](mailto:statements@who.int). Additional information provided in this manner will not be included in the official record of the meeting.<sup>1</sup>

## **SUBMISSIONS BY DELEGATIONS**

Delegations wishing to have draft resolutions and draft decisions distributed to the Health Assembly or to one of its committees are requested to hand them to the Assistant to the Secretary of the Health Assembly in the case of documents intended for plenary meetings, or to the secretary of the committee concerned in the case of documents intended for one of the committees. Rule 50 of the Rules of Procedure of the World Health Assembly requires circulation of draft resolutions to delegations at least two days before the proposal is discussed. Thus, texts should be handed in early enough to allow time for translation and reproduction in the working languages. The Secretariat is available upon request to provide information, logistics and editorial support as required. The conditions in which formal proposals relating to items on the agenda may be introduced in plenary meetings and the main committees are set out in Rules 48 and 50 of the Rules of Procedure of the World Health Assembly.

## **DELEGATES' CONSENT TO BE PHOTOGRAPHED/FILMED**

Representatives of Member States and Associate Members, including their alternates and advisers, as well as any other participants in sessions of the World Health Assembly/Executive Board acknowledge that the WHO Secretariat and parties acting for the WHO Secretariat may take photographs during and/or videotape all or part of public meetings of the World Health Assembly/Executive Board. By attending the World Health Assembly/Executive Board, representatives of Member States and Associate Members, including their alternates and advisers, as well as any other participants, are held to have consented to being depicted in such photographs and videotapes, and to agree that WHO may, at its sole discretion, reproduce and publicly disseminate any of these photographs and/or any such video footage on its website and/or in other materials and through other outlets, and/or authorize third parties to do the same.

## **DOCUMENTATION**

### **Meeting information**

The *Journal* of the Health Assembly, published each day, gives the time, place and programme of meetings, the agenda items for discussion and the corresponding documents, and other relevant information.

### **Official records of the Executive Board**

Several documents already considered by the Executive Board at its 143rd and 144th sessions are referred to under the relevant items in both the *Journal* and the provisional agenda (document A72/1).

---

<sup>1</sup> See documents EB136/6 and EB136/2015/REC 2, summary records of the fourth meeting.

## **Basic documents**

The Constitution of WHO and other relevant documents of a legal nature are contained in the publication entitled *Basic documents* (48th edition, 2014), an updated, online version of which is also available on the Governance page of the WHO website (<http://apps.who.int/gb/bd/PDF/bd48/basic-documents-48th-edition-en.pdf>).

## **Internet access**

The WHO website (Governance page (<http://apps.who.int/gb/gov/>)) provides easy electronic access to documentation, such as the Rules of Procedure of the World Health Assembly, and offers options to download documents for the current meetings of the governing bodies and to consult documents of previous sessions and other relevant documentation.

Since documentation is available on the WHO website, and as an economy measure, there will be no provision for dispatch or transport of any documentation made available during the Health Assembly.

Documentation may also be downloaded using the QR codes displayed at the documents distribution counter, the Distribution Desk for badges, the entrance to the Assembly Hall and inside the committee conference rooms.

## **DOCUMENTS**

As agreed by EB143 in May 2018, governing body meetings will be paperless unless documents are ordered in advance. For Delegations that have requested hard copies, one set of documents will be available for collection at the document distribution counter in the “Concordia” lobby, located between Doors 13 and 15 of the Palais des Nations. Relevant documentation for the meeting can be accessed at the following link <http://apps.who.int/gb/gov/>.

To promote the use of digital documents, one tablet per each delegation will be made available for collection at the document distribution counter as from 20 May at 07:30.

## **NON-STATE ACTORS IN OFFICIAL RELATIONS WITH WHO: LIAISON OFFICE**

Non-State actors in official relations with WHO may participate, without right of vote, in the Health Assembly. A liaison office is set up in room E.3025E (ext. 86125) to facilitate such participation. The document *Practical information for representatives of non-State actors in official relations with the World Health Organization*, transmitted to non-State actors with the invitation letter to the Health Assembly, provides information of particular relevance to delegates of non-State actors, concerning such matters as registration, document display and statements by non-State actors.

Room A.817 (ext. 86121) will be available for use by non-State actors on a first-come, first-served basis during the Health Assembly. It will be equipped with paper, computers, printers and telephones (for local calls). The computers can be used for word processing and accessing the internet. Photocopying facilities will also be available, free of charge for limited numbers of copies. The room will be open from 08:30 to 18:30.

Seating for non-State actors in the plenary meetings has been reserved in the galleries on the fifth floor, which may be reached by using the lifts close to Doors 13 and 15. For Committees A and B seating has been reserved in the wings of the rooms. Each Committee has a “speaker” seat for those non-State actors whose requests to speak have been accepted by the Chairman.

## **PUBLIC TRANSPORT AND TAXIS**

From Monday to Friday WHO can be reached by bus “8” which runs from Veyrier to OMS (WHO headquarters, Avenue Appia), passing through Rive (town centre), Place de Montbrillant (behind railway station) and Place des Nations (Palais des Nations). At weekends, this bus runs only as far as Avenue Appia. WHO can also be reached by bus “F”, which runs daily from Place de Montbrillant (behind the railway station) to Ferney-Voltaire, France, with stops at Place des Nations and OMS, next to the WHO headquarters building. Tickets must be purchased and validated **before** entering buses or trams. Individual tickets are available from vending machines at main bus stops. Electronic cards for multiple trips may be purchased from the Naville kiosk at the Palais des Nations, any newsagent in town bearing the “TPG” sign, and at the main railway station (Cornavin).

Geneva International Airport offers a free ticket for public transport in Geneva. This Unireso ticket, which can be obtained from the machine in the baggage collection area at the “Arrivals” level, allows 80 minutes’ use of public transport, including the train service from the airport to the main railway station, free of charge.

In addition, delegates may obtain a “Geneva Transport Card” from the hotel at which they are staying, enabling them to use public transport free of charge during their visit. Further information about this card is available from the Geneva Tourism and Convention Bureau (accessible at <http://www.geneve-tourisme.ch>).

Geneva taxi drivers know the WHO headquarters building as “OMS” (Avenue Appia).

There are taxi ranks in almost all the main squares in Geneva and outside the Palais des Nations. Taxis can be called by telephone by dialling the following numbers: +41 22 320 2020, +41 22 320 2202 and +41 22 331 4133. Taxis can also be ordered through the security guard on duty at the entrance gate on Route de Pregny.

A very limited number of parking spaces is available for delegates' cars with "World Health Assembly" stickers, on a first-come, first-served basis. The spaces are in reserved areas in car park P10, near Door 40, at the Palais des Nations. ## **PERSONAL SECURITY**

Geneva can generally be regarded as a safe city with a low rate of violent crime. However, pickpocketing and snatching of handbags or mobile phones do occur in the vicinity of, or within, the train and bus stations, the airport and in public parks.

Delegates are advised to take the following precautions when moving around the city:

- stay alert – supervise luggage and briefcases carefully;
- avoid walking alone at night – keep to well-lit areas;
- be aware of individuals posing as police – always ask for proper identification before surrendering passports or complying with any requests;

- be particularly vigilant at the airport, train station and when checking into a hotel;
- never leave anything on car seats: doing so attracts the attention of thieves;
- never leave valuables in a parked car.

Geneva emergency telephone numbers are:

- police 117
- ambulance service 144
- fire 118
- roadside assistance 140.

If participants face a security-related emergency at WHO headquarters, they are requested to contact WHO security by phone at ext. 11117 (+41 22 791 1117) or by email at security@who.int.

Security screening has increased for both vehicles and pedestrians seeking access to the Palais des Nations. Participants should ensure that they are in possession of the necessary accreditation in order to facilitate access.

WHO cannot be held responsible for the loss of personal objects left unattended at meetings.
