

## Working document on reporting requirements

In paragraph 5(e) of decision EB144(3), the Executive Board requested the Director-General to undertake several steps with respect to the methods of work of the World Health Assembly and the Executive Board, including:

- to review and make recommendations on the establishment of end dates for reporting on resolutions and decisions that have unspecified reporting requirements; and
- to review and make recommendations on consolidating and managing reporting requirements on similar subjects.

The following table provides a list of reporting requirements on similar subjects to be consolidated and streamlined.
