2. The Committee took note of the Secretariat's report and the additional information provided on indicators. It also noted the process to engage Member States in the monitoring and assessment exercise.
3. The Committee endorsed a request by the Secretariat to present the interim assessment of the Medium-term strategic plan 2008–2013 to the Programme, Budget and Administrative Committee at its fourteenth meeting in May 2011 and subsequently to the Sixty-fourth World Health Assembly. This would allow adequate time for Member States' engagement and consultation in the process.
