151st SESSION OF THE WHO EXECUTIVE BOARD GENEVA, SWITZERLAND 30TH MAY 2022

Agenda Item No. : 3

Title : Outcome of the 75th World Health Assembly

Intervention Note:

Thank you, Madam Chair and congratulations on your appointment.

Malaysia would like to support the proposal from Japan to consider timely submission of documents to EB members at least three weeks earlier before deliberation.

We would also like to echo in unity and solidarity in the Executive Board and we will continue to address current issues such as International Health Regulations, medicine and vaccine inequity, health systems strengthening and all related global public health preparedness and response to win the public health battles together. We believe together we can make a big difference in global health.

Thank you, Madam Chair.
