151st SESSION OF THE WHO EXECUTIVE BOARD GENEVA, SWITZERLAND 30TH MAY 2022

Agenda Item No. : 5

**Title : Standing Committee on Health Emergency
(Pandemic) Prevention, Preparedness and
Response**

Intervention Note:

Thank you, Madam Chair.

We note the report and Malaysia strongly supports this Standing Committee on Health Emergency for Pandemic Prevention, Preparedness and Response. We agree that good oversight is vital in better prevention and preparedness on the global front.

We are encouraged to see many Member States who have expressed interest in this very urgent matter. We echo the sentiments of our EB Members, that the Committee must be transparent. On that note, along with the other EB Members, Malaysia strongly supports for the decision on this Standing Committee.

Thank you Chair.
