MEMBERS IN ARREARS IN THE PAYMENT OF THEIR CONTRIBUTIONS TO AN EXTENT
WHICH MAY INVOKE THE PROVISIONS OF ARTICLE 7 OF THE CONSTITUTION -CENTRAL AFRICAN EMPIRE

The Executive Board,

Having considered the report of the Director-General on Members in arrears in the payment of their contributions to an extent which may invoke Article 7 of the Constitution;¹

Noting that, unless payment is received from the Central African Empire before the Thirty-second World Health Assembly, to be convened on 7 May 1979, it will be necessary for the Assembly to consider, in accordance with Article 7 of the Constitution and the provisions of paragraph 2 of resolution WHA8.13, whether or not that Member's right to vote should be suspended at the Thirty-second World Health Assembly;

Recalling that resolution WHA16.20 requests the Executive Board "to make specific recommendations, with the reasons therefor, to the Health Assembly with regard to any Members in arrears in the payment of contributions to the Organization to an extent which would invoke the provisions of Article 7 of the Constitution";

Expressing the hope that the Central African Empire will arrange for payment of its arrears before the Thirty-second World Health Assembly, so that the provisions of Article 7 of the Constitution need not be invoked by the Health Assembly;

1. URGES the Central African Empire to arrange for payment of its arrears before the Thirty-second World Health Assembly, to be convened on 7 May 1979;
2. REQUESTS the Director-General to communicate this resolution to the Central African Empire, and to continue his efforts to obtain payment of its arrears;
3. REQUESTS the Director-General to submit a report on the status of contributions from the Central African Empire to the Committee of the Executive Board which is to consider certain financial matters prior to the Thirty-second World Health Assembly; and
4. REQUESTS this Committee to consider the circumstances relating to the arrears of the Central African Empire, should that Member, at the time of its meeting, still remain in arrears in the payment of its contributions to an extent which may invoke Article 7 of the Constitution; and to submit to the Thirty-second World Health Assembly, on behalf of the Board, such recommendations as it deems desirable.
