

EB12.R13 Study on Campaign against Smallpox

The Executive Board,

In pursuance of resolution WHA6.18 of the Sixth World Health Assembly, requesting the Executive Board to proceed with a detailed study of the means of implementing a campaign against smallpox,

REQUESTS the Director-General to consult with Member States, WHO regional committees and members of the relevant WHO expert advisory panels, to obtain suggestions and information on which to base this study, and to report to the thirteenth session of the Board on the results of these consultations.
