Recognizing that more leadership is required from the World Health Organization in the field of environmental sanitation,

The Seventh World Health Assembly

REQUESTS the Executive Board, at its next session, to consult with the Director-General on the best means of stimulating Member States to give due prominence to projects in environmental sanitation, when formulating requests for assistance from the World Health Organization.

Adopted at the tenth plenary meeting, 20 May 1954
(section 1 of the fourth report of the Committee on Programme and Budget)
