

**WHA13.68 International Encouragement of Scientific Research into the Control of Cancerous Diseases  
(Resolution 1398 (XIV) of the United Nations General Assembly)**

The Thirteenth World Health Assembly,

Having considered resolution EB25.R68 adopted by the Executive Board on the subject;

Having considered the report of the Director-General on the action of the General Assembly of the United Nations relating to the international encouragement of scientific research into the control of cancerous diseases,<sup>1</sup> together with the suggestion made by the Director-General after consultation with the Secretary-General of the United Nations,<sup>2</sup>

1. ENDORSES the views expressed by the Executive Board in its resolution EB25.R68;
2. CONCURS in the suggestion made by the Director-General<sup>2</sup> and requests him to forward this resolution to the Secretary-General of the United Nations.

Handb. Res., 5th ed., 8.1.1.6; 1.7.6

*Twelfth plenary meeting, 20 May 1960 (section 5 of the eighth report of the Committee on Programme and Budget)*
