ASSIGNMENT TO REGIONS: APPLICATION OF CRITERIA TO
SPECIFIC TERRITORIES

Draft resolution proposed by the Delegation of Greece, as amended
by the Delegation of the United States of America

Add to the end of any one of the proposals presented, whether either of the resolutions proposed in EB11.R51, or the resolution proposed in A6/AFL/11, whichever is adopted, the following paragraph:

"STATES that in cases where a State or a territory, because of its geographical position, might well be assigned to two or more different regions, the desire expressed by the State or territory concerned will be met."
