

Decision 6: Regional repercussions of agenda of the sixty-ninth session of the Executive Board and the Thirty-fifth World Health Assembly

The Regional Committee approved the provisional agenda of the thirty-second session of the Regional Committee proposed by the Regional Director (document AFR/RC31/7 Annex 4). It invited the Chairman of the thirty-first session and the Regional Director to readjust and modify the said provisional agenda in the light of developments in the regional programme. The Committee should like to see on the agenda of its thirty-second session an item entitled "Examination of the international flow of resources for the regional strategy of Health for all by the year 2000".
