1. ADOPTION OF THE SECOND REPORT OF THE LEGAL SUB-COMMITTEE TO THE COMMITTEE ON ADMINISTRATION, FINANCE AND LEGAL MATTERS (document A8/AFL/25)

The CHAIRMAN invited comment on the second report to the Committee on Administration, Finance and Legal Matters (document A8/AFL/25).

Mr CALDERWOOD (United States of America), calling attention to section B, III of the report, suggested that the vote recorded at the end of the first paragraph in respect of the adoption of a particular amendment should be deleted in the interest of uniformity since the result of voting had not been recorded elsewhere in the report, although a vote had been taken on several amendments.

The CHAIRMAN said that he understood that a delegation had requested that the vote on that particular question should be included in the report.

It was agreed, in the absence of any objection, to delete the reference to the voting on that amendment.

Mr SØRENSEN (Denmark), Rapporteur, drew attention to the inclusion by the Secretariat and the Rapporteur of the words "and of Rule (84) 88 bis" in Rule (10) 12 as a consequence of the Sub-Committee's decision to adopt the new Rule referred to.

Mr LIVERAN (Israel) proposed a minor drafting amendment to paragraph II, sub-paragraph (c) and suggested the deletion of the word "taken" at the beginning of the sub-paragraph, as well as the word "so" in the clause "if the Assembly has so decided".

That amendment was approved.

Decision: The second report of the Legal Sub-Committee to the Committee on Administration, Finance and Legal Matters was adopted unanimously.
