

AFR/RC3/R6:

The Regional Committee,

ADOPTED the budget submitted by the Regional Director after discussion with each delegation concerning the territories and countries they represented and subject to the following amendments and recommendations:

- (a) to insert on page7, line8, after the words “technical Assistant” the words “(including fellowships)”;
- (b) that the post of second sociologist should be excised from the draft budget and that the money thus made available should be used for fellowships;
- (c) that the provision in the draft budget for holding a Conference on Sociology and Technical Evolution of Africa on onchocerciasis to be held in 1954, and that the participation of American workers in this field should be invited;
- (d) that members of the African Region Staff of WHO should take every opportunity to participate in conference on sociological subjects held in Africa as far as funds permit.
