APPOINTMENT OF REGIONAL DIRECTOR FOR THE  
EASTERN MEDITERRANEAN

The Executive Board at its ninth session confirmed the appointment of Dr. A.T. Shousha as Regional Director of the Eastern Mediterranean for the period 17 August to 31 December 1951 (the period between his 60th birthday and the opening of the ninth session of the Board) and extended his appointment for one year as from 1 January 1952.<sup>1</sup>

The Board will wish to consider the further extension of this appointment. It is to be noted that the previous appointment will have expired on 31 December 1952 and the Board may wish, as a practical measure, to consider confirming the appointment for the month of January 1953 and extending it for one year from 1 February 1953. The Director-General recommends that the Board take this action. This would give the Board an opportunity to consider any further renewal in January 1954, before the expiration date of the appointment.
