

REGIONAL COMMITTEE

SEA/RC38/12

Thirty-eighth Session

5 July 1985

Provisional Agenda item 22

TIME AND PLACE OF FORTHCOMING SESSIONS
OF THE REGIONAL COMMITTEE

Thirty-ninth Session

The Regional Committee, at its thirty-seventh session in 1984 (resolution SEA/RC37/R11), did not decide on the time and place of the thirty-ninth session to be held in 1986. Taking into account the invitation received from any Member State to host the thirty-ninth session, the Regional Committee may wish to decide on the venue and the time for that session.

Fortieth Session

In view of biennial programming, the Regional Committee may wish to decide tentatively on the place of the fortieth session to be held in 1987, taking into account any provisional or firm invitation(s) received, and keeping in mind the resolution of the Seventh World Health Assembly (WHA7.26) which recommended:

"...that, in deciding on the place of their meetings, regional committees should consider holding them from time to time at the site of the Regional Office, taking into account the costs involved for the Organization and the Member States concerned."

This decision will enable the Regional Director to make appropriate adjustments in the Programme Budget for the 1986-1987 biennium.
