

The Regional Committee,

Taking note of the present situation with regard to the permanent establishment of the Regional Office in New Delhi;

Considering the policy of the Organization toward the permanent establishment of its six regional offices;

REQUESTS the Regional Director:

(1) to enter into immediate negotiations with the Government of India with a view to finding an adequate solution satisfactory the needs of WHO and in line with the policy of the Organization, and

(2) to report developments to the Member States at an early date.
