DRAFT SECOND REPORT OF THE COMMITTEE ON PROGRAMME
AND BUDGET

At the opening of its third meeting on Monday, 14 May, the Committee on Programme and Budget held a private meeting during which the following resolution was recommended for adoption by the Fifteenth World Health Assembly:

United Nations Prizes for the International Encouragement of
Scientific Research into the Control of Cancerous Diseases

The Fifteenth World Health Assembly,

Having studied the report of the Director-General¹ on the action taken since the Fourteenth World Health Assembly in connexion with the United Nations Prizes for the international encouragement of scientific research into the control of cancerous diseases; and

Having taken into account the recommendations contained in the resolution adopted by the Executive Board at its twenty-ninth session:²

1. ACCEPTS the recommendations made by the Executive Board at its twenty-ninth session in regard to the award of the United Nations Cancer Prizes; and
2. REQUESTS the Director-General to transmit to the Acting Secretary-General of the United Nations the names of the persons thus recommended for these awards.
