

The Regional Committee,

I Having examined the programme and budget estimates proposed for the Western Pacific Region in 1967 and the report of the Subcommittee on Programme and Budget,

AGREES that as many as possible of the following inter-country group educational activities proposed to be financed under the Expanded Programme of Technical Assistance should be undertaken:

Seminar on health planning in urban development

Inter-country maternal and child health advisory services, South Pacific

Inter-country environmental health advisory services, South Pacific

II            REQUESTS the Regional Director to transmit the programme and budget proposals to the Director-General for his consideration for inclusion in his proposed programme and budget for 1967.
