REPORTS OF THE REGIONAL DIRECTORS ON REGIONAL COMMITTEE  
MATTERS REQUIRING THE PARTICULAR ATTENTION OF THE BOARD

Twenty-eighth session of the  
Regional Committee for Europe

*Reg. Com Europe  
28th sess.*

In the past, the Board reviewed the reports of the Regional Directors on the work of the regional committees under a separate agenda item. These reports were introduced by the Regional Directors. In conformity with the spirit of the unity of the Organization's programme, Regional Directors will now report on regional activities as an integral part of the Board's review of global programmes and programme budgets (provisional agenda item 12). However, members of the Board may wish to raise particular questions concerning the work of the regional committees that have not been dealt with under provisional agenda item 12.

The Director-General therefore has the honour to present to the Executive Board a report by the Regional Director highlighting those matters emanating from the twenty-eighth session of the Regional Committee for Europe which may require the particular attention of the Board. Should members of the Board wish to see the full report of the Regional Committee, it is available in the Executive Board room.
