15th SESSION OF THE REGIONAL COMMITTEE

Washington D.C., 16 - 25 October 1963

RESOLUTION

CD14.R32

TASK FORCE ON HEALTH AT THE MINISTERIAL LEVEL

THE 14th DIRECTING COUNCIL,

Having considered the report (Document CD14/42) 1 of the Working Party entrusted with the examination of the recommendations of the Meeting of the Task Force on Health at the Ministerial Level, held in April 1963; and

Considering that the recommendations of the Task Force² reflect a continental approach to health that coincides with the goals and objectives expressed in the Constitution of the Pan American Health Organization and developed through its program and budget,

RESOLVES

1. To accept as a statement of general policy of the Pan American Health Organization all the recommendations of the Task Force on Health at the Ministerial Level.
2. To request the Director of the Pan American Sanitary Bureau to implement without delay Resolution XX on the rural health program for the benefit of the peoples of the Americas, in accordance with Document CD14/23.

3. To request the Director to take the necessary steps to interest the Governments in complying with the recommendations on malaria eradication made by the Task Force on Health at the Ministerial Level.
4. To authorize the Director to take into consideration, in the implementation of the 1964 program and budget, the recommendations contained in the report of the Task Force on Health, both on a regional and a national basis, and in accordance with the stated program priorities of the Organization and its financial resources.
5. To instruct the Director to take the recommendations above into consideration in the planning for the program and budget for 1965 and [subsequent years].
