

## **Assessment of new Member**

### **Assessment of the Republic of Montenegro**

#### **Report by the Secretariat**

1. The Republic of Montenegro became WHO's 193rd Member State when it deposited its instrument of acceptance of the WHO Constitution with the Secretary-General of the United Nations on 29 August 2006, following its admission as a new Member State to the United Nations in June 2006.
2. The latest United Nations scale available for the Republic of Montenegro is 0.001%. For fixing the new Member's assessment this figure would equate to an assessment payable of US\$ 1490 prorated for 2006 and US\$ 4470 for 2007.

#### **ACTION BY HEALTH ASSEMBLY**

3. The Health Assembly is invited to consider the following draft resolution:

The 60th World Health Assembly,

Having considered the report on the assessment of a new Member,<sup>1</sup>

WELCOMES the Republic of Montenegro as a new Member to WHO and sets its assessment payable of US\$ 1490 for 2006 and US\$ 4470 for 2007, being a scale of assessment of 0.001%.
