N. B. — Aux fins de comparaison on donne pour chaque pays les médianes des séries de chiffres annuels, mensuels ou par quatre semaines concernant quelques années antérieures à 1939. Dans l'ensemble du tableau, les cas (C.) sont indiqués en chiffres romains et les décès (D.) en italiques. Les chiffres relatifs soit aux cas, soit aux décès, qui égalent ou dépassent le quartile supérieur des séries correspondantes d'avant-guerre, sont imprimés en caractères gras. Pour explications, voir *Rel. Epid. Hebd.* 19, N° 7: 32-34.

— As a basis for comparison, yearly, monthly or 4-weekly medians of series covering a number of year preceding 1939, are given for each country. In the table, figures for cases (C.) are shown in roman type, and those for deaths (D.) in italics. Figures, of either cases or death which equal or exceed the upper quartile of the corresponding prewar series, are printed in heavy type. For explanations see *Weekly Epid. Rec.* 19, No. 7: 32-34.
