

REPORT OF THE SUB-COMMITTEE OF THE REGIONAL
COMMITTEE ON PROGRAMMES AND TECHNICAL COOPERATION:
TUBERCULOSIS AND MALARIA CONTROL

The Regional Committee,

Having considered that part of Part I of the report of the Sub-Committee on Programmes and Technical Cooperation relating to its visits to Solomon Islands and Viet Nam,¹

1. TAKES NOTE of the findings and endorses the recommendations of the Sub-Committee on Programmes and Technical Cooperation in relation to WHO's collaboration in tuberculosis and malaria control;
2. THANKS the Sub-Committee for its work;
3. REQUESTS the Regional Director to take the Sub-Committee's findings and recommendations into consideration in developing future programmes of cooperation in these fields;
4. REQUESTS the Sub-Committee, as part of its terms of reference in 1988, to review and analyse the impact of WHO's cooperation with Member States in the field of health information systems and health informatics.
