

The Regional Committee

- I
1. NOTES the report on the Technical Discussions;¹
 2. EXPRESSES its appreciation to Dr. Michael J. Flynn for having so ably served as Chairman, and to the other experts who served as members of the Panel;
- II
- Having considered the topics proposed for the Technical Discussions in 1963,²
- DECIDES that the subject shall be "The Role of the Local Health Services in Leprosy Control".
