

**EB6.R3      Joint Committee on Health Policy, UNICEF/WHO**

**The Executive Board**

1. NOTES the report of the WHO members of the Joint Committee on Health Policy, UNICEF/WHO, and the report of the fourth session of that committee ;<sup>5</sup>

2. NOTES that the committee considers important the continuation of the BCG research programme after the UNRRA Fund has been exhausted, and
3. EXPRESSES the hope that the Executive Board of UNICEF, at its meetings to be held in June 1950, will take such decisions on the resolution on BCG, taken by the Third World Health Assembly,<sup>6</sup> as will permit an effective joint effort in the fight against tuberculosis.

*(Adopted at the second meeting, 3 June 1950)*
