

EB19.R50 Singapore Fund

The Executive Board,

- I. Having noted the report of the Director-General on the Singapore Fund,¹
CONCURS in the recommendation of the Director-General that the Fund be disestablished and that the sum of US \$21 418 be transferred to the general funds of the Organization ;
- II. Noting that at the present time information is not available as to the amount which will need to be withdrawn from the Working Capital Fund ; and
Considering further that the Board is recommending supplementary estimates for 1957 to the Tenth World Health Assembly,²

RECOMMENDS to the Tenth World Health Assembly the adoption of the following resolution :

The Tenth World Health Assembly,

Having considered the recommendation by the Executive Board regarding the Singapore Fund ;
and

Considering that the Organization will continue to carry out its functions relating to epidemiological intelligence,

DECIDES that the Fund shall be liquidated and that the sum of US \$21 418 standing to the credit of the Fund shall be : ³

(1) applied as miscellaneous income for financing the supplementary estimates for 1957 recommended by the Board in accordance with Financial Regulation 3.9, in order to reimburse the Working Capital Fund for the advance to meet the increased costs in 1957 resulting from amendments to the Staff Rules ; or

(2) applied as miscellaneous income for financing the 1958 budget ; or

(3) used to reimburse the Working Capital Fund for any advances made under paragraph 2(2) of resolution WHA9.19.
