

**WHA20.25 Agreement between the Government of France and WHO concerning the Legal Status, Privileges and Immunities of the International Agency for Research on Cancer**

The Twentieth World Health Assembly,

Having taken cognizance of the text of the Host Agreement defining the legal status, privileges and immunities of the International Agency for Research on Cancer and of the related exchange of notes signed in Paris on 14 March 1967 by the Government of France and the World Health Organization;<sup>2</sup> and

Noting that the Governing Council of the Agency at its third session has recommended the approval of this agreement,

APPROVES the Host Agreement and the exchange of notes relating thereto.
