

**EB47.R60 Co-ordination with the United Nations, the Specialized Agencies and the International Atomic Energy Agency: Programme Matters**

The Executive Board

1. TAKES NOTE of the report of the Director-General on co-ordination with the United Nations, the specialized agencies and the International Atomic Energy Agency; and
2. EXPRESSES its satisfaction that the Organization is increasingly co-operating with the United Nations, the other specialized agencies and IAEA and with United Nations programmes, including UNICEF, the World Food Programme and the United Nations Development Programme, in the pursuit of common objectives and urges the Director-General to continue his efforts in this direction.
