

EB55.R17 Long-term planning of international cooperation in cancer research

The Executive Board,

Having considered the Director-General's report on long-term planning of international cooperation in cancer research, prepared in accordance with resolutions WHA26.61 and WHA27.63;

Emphasizing the importance of the role and responsibilities of WHO in integrating the efforts of national and international organizations in the fight against cancer,

1. TRANSMITS the report to the Twenty-eighth World Health Assembly; and
2. REQUESTS the Director-General to continue to develop this programme intensively.
