COMMITTEE ON CREDENTIALS

The Committee on Credentials met on 25 June 1949 at the Palazzo Venezia, Rome, under the chairmanship of Professor G. A. Canaperia (Italy).

Representatives of the following countries were present:

France	Portugal
Italy	Union of South Africa
Pakistan	Uruguay
Philippines	Venezuela.

The Committee accepted the credentials of the delegations of Argentina and Syria, entitling the members to take part in the work of the Assembly as delegates, and proposes to the Assembly that the validity of these credentials should be recognized.

Since the last meeting of the Committee, the Secretary-General of the United Nations has stated that he has received the instrument of ratification of the Constitution of the World Health Organization by the State of Israel. The credentials presented by the delegates of the State of Israel having been found in order, the Committee on Credentials proposes to the Health Assembly that their validity be recognized.
