

Status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution

Report by the Director-General

Status of collection

1. In order for WHO to efficiently deliver on the approved programme budget, contributions from Member States must be received in full and on time. Under Financial Regulation 6.4, all Member State contributions are due and payable as of 1 January of the year to which they relate.
2. Contributions for 2025 were received, either in full or in part, from 151 of the 197 Members and Associate Members (compared with 152 Members and Associate Members in 2024).¹ Details of amounts assessed and collected are shown in Annex 1. Collections for 2025 assessments amounted to US\$ 404.2 million, or 70% of the total invoiced, the same percentage as in 2024 (Figure). Outstanding contributions for 2025 alone, converted at the 31 December 2025 exchange rate, amount to US\$ 184.2 million, compared with US\$ 169.9 million of outstanding collections in 2024. Member States are urged to pay their annual contributions in a timely manner.

¹ For 2024 data, see document A78/23.

3. Unpaid contributions as at 31 December 2025 for current and previous financial periods amounted to a total of US\$ 358.8 million (2024: US\$ 193.0 million), consisting of US\$ 167.6 million and Sw.fr. 150.9 million. A further US\$ 22.4 million was due under special arrangements authorized by the Health Assembly (2024: US\$ 22.4 million). Details of payments made under special arrangements as at 31 December 2025 are shown in Annex 2.

Members' contributions received in advance

4. As at 31 December 2025, some Members had made advance payments, either in full or in part, against their regular budget contributions for 2026 and future years. In total, contributions received in advance as at 31 December 2025 amounted to US\$ 57.0 million (US\$ 84.8 million as at 31 December 2024). Advance payments are detailed in Annex 3.

Members in arrears and special arrangements

5. Article 7 of the Constitution of the World Health Organization states that, if a Member fails to meet its financial obligations to the Organization, the Health Assembly may suspend the voting privileges to which a Member is entitled. If, at the time of the opening of the Health Assembly, a Member is in arrears in an amount that equals or exceeds the amount of contributions due from it for the preceding two full years, the Health Assembly may decide, in accordance with resolution WHA41.7 (1988), to suspend the Member's voting privileges.

6. In accordance with previous Health Assembly resolutions, the voting privileges of the following seven Member States continue to be suspended: Afghanistan, Dominica, Somalia, South Sudan, Sudan, Venezuela (Bolivarian Republic of) and Yemen. Details of the amounts outstanding are provided in Annex 4. The suspension is to continue at the Seventy-ninth World Health Assembly (2026) and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

7. In accordance with resolution WHA78.20 (2025), if, by the time of the opening of the Seventy-ninth World Health Assembly, Cameroon, Grenada, Myanmar and Saint Lucia are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges will be suspended. Cameroon has reduced its arrears to a level below the amount that would justify invoking Article 7 of the Constitution. Unless payment is received before the opening of the Seventy-ninth World Health Assembly, voting privileges for Grenada, Myanmar and Saint Lucia will be suspended. The suspension will then continue at the Eightieth World Health Assembly (2027) and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

8. Annex 2 lists the eight Member States that currently have special arrangements for repayment of arrears approved previously by the Health Assembly. Payments amounting to US\$ 1.5 million were received from these Member States in 2025 in accordance with these special arrangements (compared with US\$ 0.1 million in 2024). Three of the Member States listed in Annex 2 – the Central African Republic, Kyrgyzstan and Lebanon – have met their commitments under these arrangements. Five Member States – Afghanistan, Iran (Islamic Republic of), Somalia, Sudan and Venezuela (Bolivarian Republic of) – did not meet their commitments in 2025. Voting privileges for Afghanistan, Somalia, Sudan and Venezuela (Bolivarian Republic of) were suspended under previous Health Assembly resolutions.² Unless further payment is made by the Islamic

² Resolutions WHA59.6 (2006), WHA70.1 (2017), WHA75.2 (2022) and WHA72.14 (2019), respectively.

Republic of Iran by the time of the Seventy-ninth World Health Assembly, it will lose its voting privileges with effect from the opening of the Seventy-ninth World Health Assembly.

9. As at 23 April 2026, 10 Member States – Burundi, Côte d'Ivoire, Djibouti, Equatorial Guinea, Nigeria, Panama, Sao Tome and Principe, Timor-Leste, Turkmenistan and the United States of America – were in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as listed in Annex 4. One Associate Member, Puerto Rico, was also behind with its assessed contributions.

10. Pursuant to resolution WHA41.7 (1988), unless there are exceptional circumstances justifying a different measure, the Seventy-ninth World Health Assembly may wish to adopt a resolution deciding that the voting privileges of the 10 Member States listed in paragraph 9 above will be suspended as from the opening day of the Eightieth World Health Assembly, if at that time the Member States concerned are still in arrears to an extent that would justify invoking Article 7 of the Constitution.

11. In order to facilitate the payment of arrears, Member States may submit proposals to the Health Assembly for repaying such arrears over an extended period. Such proposals for special arrangements should be addressed in writing to the Director-General no later than 31 March. They are then considered by the Programme, Budget and Administration Committee of the Executive Board, which subsequently makes its recommendations to the Health Assembly. No new proposals have been submitted to date (23 April 2026).

Action by the Health Assembly

12. No action is required by the Health Assembly in respect of those Members whose voting privileges have already been suspended under previous Health Assembly resolutions.

13. The Health Assembly may wish to consider the following draft resolution in respect of Burundi, Côte d'Ivoire, Djibouti, Equatorial Guinea, Nigeria, Panama, Sao Tome and Principe, Timor-Leste, Turkmenistan and the United States of America, in accordance with the principles set out in resolution WHA41.7 (1988):

The Seventy-ninth World Health Assembly,

Having considered the report on status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution of the World Health Organization,³ and special arrangements for the settlement of arrears;

Noting that, at the time of opening of the Seventy-ninth World Health Assembly, the voting rights of Afghanistan, Dominica, Grenada, Iran (Islamic Republic of), Myanmar, Saint Lucia, Somalia, South Sudan, Sudan, Venezuela (Bolivarian Republic of) and Yemen were suspended, such suspension shall continue until the arrears of the Member States concerned have been reduced, at the present or future Health Assemblies, to a level below the amount that would justify invoking Article 7 of the Constitution;

³ Document A79/17.

Noting that Burundi, Côte d'Ivoire, Djibouti, Equatorial Guinea, Nigeria, Panama, Sao Tome and Principe, Timor-Leste, Turkmenistan and the United States of America were in arrears at the time of the opening of the Seventy-ninth World Health Assembly to such an extent that it was necessary for the Health Assembly to consider, in accordance with Article 7 of the Constitution, whether the voting privileges of those countries should be suspended at the opening of the Eightieth World Health Assembly in 2027,

DECIDES:

- (1) that, in accordance with the statement of principles set out in resolution WHA41.7 (1988), if, by the time of the opening of the Eightieth World Health Assembly, Burundi, Côte d'Ivoire, Djibouti, Equatorial Guinea, Nigeria, Panama, Sao Tome and Principe, Timor-Leste, Turkmenistan and the United States of America are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall be suspended as from the said opening;
- (2) that any suspension that takes effect as set out in paragraph (1) above shall continue at the Eightieth World Health Assembly and subsequent Health Assemblies, until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution;
- (3) that this decision shall be without prejudice to the right of any Member to request restoration of its voting privileges in accordance with Article 7 of the Constitution.
