Seventy-ninth World Health Assembly

Agenda item 20.2 A79/B/CONF./4 Add.1

22 May 2026

Financial and administrative implications for the Secretariat of resolutions proposed for adoption by the Health Assembly

Resolution Communications of the United Nations Secretary-General as depositary of the Constitution of the World Health Organization

A. Link to the approved Programme budget 2026–2027

1. Output(s) in the approved Programme budget 2026–2027 under which this draft resolution would be implemented if adopted:
7.1.1. Convening, advocating and engagement with Member States and key constituencies in support of health governance and to advance health priorities

2. Short justification for considering the draft resolution, if there is no link to the results as indicated in the approved Programme budget 2026–2027:
Not applicable.

3. Any additional Secretariat work during the biennium 2026–2027 that cannot be accommodated within the approved Programme budget 2026–2027 ceiling:
Not applicable.

4. Estimated time frame (in years or months) to implement the resolution:
The resolution would take place with immediate effect but the default value used here is one year.

B. Budget and resource implications for the Secretariat for implementation of the resolution

1. Total planned costs required to implement the resolution, in US$ millions:
Zero.[1]

2.a. Estimated planned costs required that can be accommodated within the approved Programme budget 2026–2027 ceiling, in US$ millions:
Zero.

2.b. Estimated planned costs required in addition to those already budgeted for in the approved Programme budget 2026–2027, in US$ millions:
Zero.

[1] The costing of this draft resolution does not address the direct or indirect costs required by the Secretariat to implement deliverables as the resolution text does not specify any such deliverables. The possibility of broader, financial implications of this draft resolution for the Organization may require further consideration within the framework of WHO's governing bodies.

3. Estimated planned costs required to be budgeted for in the proposed programme budget for 2028–2029, in US$ millions:
Not applicable.

4. Estimated planned costs required to be budgeted for in the proposed programme budgets of future bienniums, in US$ millions:
Not applicable.

5. Level of financial resources already available to fund the implementation of the resolution in the current biennium, in US$ millions

- **Financial resources available to fund the resolution in the current biennium:**
  Not applicable.
- **Remaining financing gap in the current biennium:**
  Not applicable.
- **Estimated financial resources, which are currently being mobilized, if any, that would help to close the financing gap in the current biennium:**
  Not applicable.
