5. Arrangements for conduct of discussion in meetings

Plenary: theme of general discussion: "Reshaping Global Health: A Shared Responsibility".

Member States, Associate Members, Observers, invited representatives of the United Nations and of other participating intergovernmental organizations will be provided with the opportunity to take the floor under agenda item 3 Address by Dr Tedros Adhanom Ghebreyesus, Director-General.

Member States can inscribe on the list of speakers for the general debate through this link. Copies of statements to be made in the general discussion should be submitted to the Office of the Assistant to the Secretary of the Health Assembly by email (interpret@who.int). Please specify in the "Subject" and at the top of the statement, the name of the country and the meeting: "General Discussion".

Verbal statements

Member State delegations are asked to observe the time limit for verbal statements during the sessions: individual statements by Member States and Associate Members will be limited to **two minutes** (220 words), Regional and group statements will be limited to **three minutes** (330 words).

Statements by Observers, invited representatives of the United Nations and other participating intergovernmental organizations, and non-State actors in official relations with the Organization will be limited to **one minute** (110 words). Non-State actor constituency statements will be limited to **two minutes** (220 words).

To ensure that statements are interpreted as clearly as possible, delegates are requested to submit a copy of their statements at least **30 minutes** in advance by email to interpret@who.int.

Written statements

Member States and Associate Members are invited to submit written statements for posting on the website in the language of submission in accordance with the guidelines for written statements in decision WHA75(12).

Observers, invited representatives of the United Nations and of other participating and intergovernmental organizations are also invited to submit written statements in accordance with those guidelines. Non-State actors are invited to submit written statements as per the practical information for representatives of non-State actors in official relations with WHO.

In accordance with the guidelines, statements may be provided in any of the six WHO official languages and should be limited to 500 words for individual statements and 800 words for group statements. They should be submitted to statements@who.int, (non-State actors are asked to copy nsastatements@who.int), clearly indicating the relevant agenda item or sub-item in the subject line.

Interpretation

Interpretation will be provided in the official languages (Arabic, Chinese, English, French, Russian and Spanish) to help delegates to follow the discussions. Delegates are requested to speak clearly and at a moderate speaking pace to enable clear and accurate interpretation. Copies of all statements should be submitted at least 30 minutes in advance by email to interpret@who.int. Clearly indicate the name of the country delegation/group in the subject line of the email.

Note: a statement of three minutes at a moderate speaking pace is equivalent to approximately 330 words.
