- *End TB strategy*
- *Follow-up to the political declaration of the fourth high-level meeting of the General Assembly on the prevention and control of noncommunicable diseases and the promotion of mental health and well-being*

and three resolutions entitled:

- *Steatotic liver disease: a missing piece in the global noncommunicable disease response*

- *Global action to advance health equity for people with haemophilia and other bleeding disorders*
- *Public health implications of the unprovoked attacks by the Islamic Republic of Iran on civilians and essential civilian infrastructure in Gulf Cooperation Council countries and Jordan*

Item 6

Executive Board: election

- Document A79/37

Saturday, 23 May 2026

Eleventh meeting of Committee A — Auditorium, Building B, SS3, WHO Headquarters

09:00

Finalization of resolutions/decisions and reports

Seventh meeting of Committee B — Assembly Hall, Palais des Nations

09:00

Finalization of resolutions/decisions and reports

Seventh Plenary meeting — Assembly Hall, Palais des Nations

Immediately after conclusion of Committees A and B

Item 8 continued

Reports of the main committees

Item 9

Closure of the Health Assembly

3. Report of meetings

Sixth meeting of Committee A

In the Chair:

Dr Timur Sultangaziyev (Kazakhstan)

Later: H.E. Mr Fernando Israel Espinosa Olivera (Mexico) Vice-Chair

The Chair called upon The Rapporteur Mr Ronald Basiimwa (Uganda) to read out the draft second report of Committee A, document (draft) A79/36 containing two decisions entitled:

- *Health emergency in Lebanon*
- *Health emergency in Ukraine and refugee-receiving and -hosting countries, stemming from the Russian Federation's aggression*

The decisions were approved and the draft report adopted.

Item 11 (Provide health) *continued*

Recommitting to accelerate progress towards malaria elimination

Item 12 (Provide health) *continued*

Review of and update on matters considered by the Executive Board

Item 12.3 *continued*

Communicable diseases

- Immunization Agenda 2030
- Road map for neglected tropical diseases 2021–2030
- End TB Strategy

The Chair reopened the agenda item and sub-item and invited comments from the floor.

At the invitation of the Chair, the Regional Director for Africa and the Assistant Director-General, Health Promotion, Disease Prevention and Care, addressed the Committee.

The Committee noted the report in document A79/4 and the report pertaining to this discussion as contained in document A79/5 and approved the draft decision entitled *End TB Strategy*, contained in decision EB158(3) and closed the agenda sub-item.

Item 14 (Protect health) *continued*

Review of and update on matters considered by the Executive Board

Item 14.3 *continued*

Poliomyelitis

The Chair reopened the agenda sub-item and drew the Committee's attention to relevant document A79/5 and opened the floor for discussion.

At the invitation of the Chair, the Chef de Cabinet and the Regional Director for the Eastern Mediterranean addressed the Committee.

The Committee noted the report pertaining to this discussion as contained in document A79/5 and closed the agenda sub-item.

Item 12 (Provide health) *continued*

Review of and update on matters considered by the Executive Board

Item 12.1

Follow-up to the political declaration of the high-level meeting of the General Assembly on the prevention and control of non-communicable diseases

Item 12.2

Mental health

The Chair opened the agenda sub-items and drew the Committee's attention to relevant documents and invited delegates to consider the draft resolution and decisions recommended by the Executive Board in resolution EB158.R1, and in decisions EB158(1) and EB158(2) respectively, contained in document EB158/2026/REC/1.

The floor was opened for discussion.

Discussion of this grouping of agenda sub-items was suspended, and the meeting adjourned.

Third meeting of Committee B

In the Chair:

Dr Kwabena Mintah Akandoh (Ghana)

Later: Mr Bonanza Perwira Taihitu (Indonesia) Vice-Chair

The Chair called upon The Rapporteur, Ms Shalaka Kujur (India), to read out the draft first report of Committee B, document (draft) A79/35 containing two decisions entitled:

- *Results report (Programme budget 2024–2025: performance assessment) and Financial report and audited financial statements for the year ended 31 December 2025*
- *Health conditions in the occupied Palestinian territory, including east Jerusalem, and in the occupied Syrian Golan*

The decisions were approved and the draft report adopted.

Item 17 *continued*

Health conditions in the occupied Palestinian territory, including east Jerusalem, and in the occupied Syrian Golan

Item 17.2 *continued*

Health conditions in the occupied Palestinian territory, including east Jerusalem

The Chair reopened the agenda sub-item and invited comments from the floor. The Committee noted the report contained in document A79/12.

In accordance with Rule 73 of the Rules of Procedure, a recorded vote was taken. The vote resulted in 108 votes in favour to 3 votes against, with 13 abstentions and 57 Member States absent.

The Committee approved the draft resolution EB158.R6 contained in document EB158/2026/REC/1 *Health conditions in the occupied Palestinian territory, including east Jerusalem* as amended.

Several delegates gave an explanation of vote under Rule 77 of the Rules of Procedure and the agenda sub-item was closed.

Item 18 (Power and performance) *continued*

Review and update on matters considered by the Executive Board and the Programme, Budget and Administration Committee of the Executive Board

Staffing matters *continued*

Item 18.3

Status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution

The Chair opened the agenda sub-item and invited the Comptroller ad. interim to provide updates. The Secretariat advised the Committee that Grenada and Iran (Islamic Republic of) are no longer concerned by Article 7 and will be deleted from the resolution. The Chair invited comments from the floor. The Committee approved the draft resolution contained in paragraph 13 of document A79/17 as amended and the agenda sub-item was closed.

Audit and oversight matters

Item 18.7

Report of the External Auditor

Item 18.8

Report of the Internal Auditor

Item 18.9

External and internal audit recommendations: progress on implementation

Item 18.10

Proposed amendments to the process for the selection of the External Auditor

The Chair opened the grouped agenda sub-items and invited the External Auditor to present the report contained in document A79/18. The Chair invited comments from the floor and the External Auditor responded to questions raised. The External Auditor and the Secretariat then provided comments. The Committee noted the reports contained in documents A79/18, A79/19, A79/20 and the relevant sections of the consolidated report contained in document A79/5. The Committee then approved the decisions contained in paragraph 6 of document A79/29 and EB158(19). Discussion of the grouped agenda sub-items was closed.

Management, legal and governance matters

Item 18.11

Prevention of sexual exploitation, abuse and harassment

Item 18.12

Governance reform

- Secretariat implementation plan on reform

Item 18.13

Update on the Infrastructure Fund

- Geneva buildings renovation strategy
- Update on information management and technology

The Chair opened this grouping of agenda sub-items and opened the floor for discussion. The Secretariat responded to questions raised and the Committee noted the relevant sections of the consolidated report contained in document A79/5. Discussion of the grouped sub-items was closed.

Staffing matters continued

Item 18.14 *continued*

Human resources: annual report

Item 18.15

Amendments to the Staff Regulations and Staff Rules

Item 18.16

Report of the International Civil Service Commission

Item 19 (Power and performance)

Appointment of representatives to the WHO Staff Pension Committee

The Chair reopened consideration of sub-item 18.14, 18.15, 18.16 and item 19. He then invited comments from the floor. The Secretariat responded to questions raised and the Committee noted the reports contained in the relevant sections of the consolidated report contained in document A79/5 and the reports contained in documents A79/21, A79/22. The Committee then approved resolution EB158.R8 contained in document EB158/2026/REC/1 and the decision contained in paragraph 7 of document A79/22. The agenda items were closed and the meeting was adjourned.

Seventh meeting of Committee A

In the Chair:

Dr Timur Sultangaziyev (Kazakhstan)

Later: H.E. Mr Fernando Israel Espinosa Olivera (Mexico) Vice-Chair

Item 14 (Protect health) *continued*

Review of and update on matters considered by the Executive Board

Item 14.5

Public health implications of the unprovoked attacks by the Islamic Republic of Iran on civilians and essential civilian infrastructure in Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, the United Arab Emirates and Jordan

The Chair opened the agenda sub-item and drew the Committee's attention to relevant documents A79/A/CONF./4 and A79/A/CONF./4 Add.1 and invited delegates to consider the draft resolution contained in document A79/A/CONF./4.

At the invitation of the Chair, the Executive Director, WHO Health Emergencies Programme and the Regional Director for the Eastern Mediterranean provided an update of this agenda sub-item. The floor was opened for discussions.

One delegation requested a vote and another requested a recorded vote in accordance with Rule 73 of the Rules of Procedure for the approval of the draft resolution entitled *Public health implications of the unprovoked attacks by the Islamic Republic of Iran on civilians and essential civilian infrastructure in Gulf Cooperation Council countries and Jordan*, as contained in document A79/A/CONF./4.

The recorded vote resulted in 91 votes in favour, 2 votes against, with 31 abstentions and 57 Members States absent.

At the invitation of the Chair, Executive Director, WHO Health Emergencies Programme addressed the Committee.

Several delegates gave an explanation of vote under Rule 77 of the Rules of Procedure.

The agenda sub-item was closed.

Item 12 (Provide health) *continued*

Review of and update on matters considered by the Executive Board

Item 12.1

Follow-up to the political declaration of the high-level meeting of the General Assembly on the prevention and control of non-communicable diseases

Item 12.2

Mental health

The Chair reopened consideration of the grouped item and sub-item and invited delegations who had requested to speak at the previous meeting of the Committee to take the floor. Discussion of the grouping of items was suspended and the meeting was adjourned.

Fourth meeting of Committee B

In the Chair:

Dr Kwabena Mintah Akandoh (Ghana)

Item 20 (Power and performance)

Collaboration within the United Nations system and with other intergovernmental organizations

Item 20.1

Reform of the global health architecture and the UN80 Initiative

The Chair opened the item and sub-item and invited the Chair of the Programme, Budget and Administration Committee to provide information on the recommendations. The Chair opened the floor for discussion. At the request of several delegates, discussion of the agenda sub-item was suspended.

Item 22 (Power and performance)

(THREE discussions; (i) Provide Health; (ii) Protect Health & Power and Performance; and (iii) Promote Health)

Matters for information: progress reports

Provide health

- A. Social participation for universal health coverage, health and well-being (resolution WHA77.2 (2024))
- B. Increasing access to medical oxygen (resolution WHA76.3 (2023))
- C. Public health dimension of the world drug problem (decision WHA75(20) (2022))
- D. The global health sector strategies on, respectively, HIV, viral hepatitis and sexually transmitted infections (resolution WHA75.20 (2022))
- E. Improving access to assistive technology (resolution WHA71.8 (2018))
- F. Eradication of dracunculiasis (resolutions WHA64.16 (2011) and WHA78.14 (2025))
- G. Reproductive health: strategy to accelerate progress towards the attainment of international development goals and targets (resolution WHA57.12 (2004))
- H. Availability, safety and quality of blood products (decision WHA75(17) (2022))
- I. WHO strategy on research for health (resolution WHA63.21 (2010))
- J. Global strategy and plan of action on public health, innovation and intellectual property (resolution WHA75.14 (2022))

The Chair opened the agenda item and invited the Committee to provide their remarks on reports under Provide health. The Secretariat responded to questions raised and the discussion was closed.

Protect health & Power and performance

- K. Strengthening laboratory biological risk management (resolution WHA77.7 (2024))
- L. Pandemic Influenza Preparedness: sharing of influenza viruses and access to vaccines and other benefits (resolution WHA64.5 (2011))

- M. Smallpox eradication: destruction of variola virus stocks (resolution WHA60.1 (2007))
- R. Strategy for integrating gender analysis and actions into the work of WHO (resolution WHA60.25 (2007))

The Chair opened the agenda item and invited the Committee to provide their remarks on reports under Protect health & Power and performance. The Secretariat responded to questions raised and the discussion was closed.

Promote health

- N. Reducing public health risks associated with the sale of live wild animals of mammalian species in traditional food markets – infection prevention and control (decision WHA75(23) (2022))
- O. WHO global strategy for food safety (decision WHA75(22) (2022))
- P. Accelerating efforts for preventing micronutrient deficiencies and their consequences, including spina bifida and other neural tube defects, through safe and effective food fortification (resolution WHA76.19 (2023))
- Q. Decade of Healthy Ageing 2020–2030 (decision WHA73(12) (2020))

The Chair opened the agenda item and invited the Committee to provide their remarks on reports under Promote health. The Secretariat responded to questions raised and the discussion was closed.

Item 20 (Power and performance) *continued*

Collaboration within the United Nations system and with other intergovernmental organizations

Item 20.1 *continued*

Reform of the global health architecture and the UN80 Initiative

The Chair reopened the sub-item and invited comments from the floor. Discussion of the agenda sub-item was suspended and the meeting adjourned.

Eighth meeting of Committee A

In the Chair:

H.E. Mr Fernando Israel Espinosa Olivera (Mexico) Vice-Chair

Item 12 (Provide health) *continued*

Review of and update on matters considered by the Executive Board

Item 12.1 *continued*

Follow-up to the political declaration of the high-level meeting of the General Assembly on the prevention and control of non-communicable diseases

Item 12.2 *continued*

Mental health

The Chair reopened the grouped agenda sub-items and invited delegations who had requested to speak at the previous meeting to take the floor. At the invitation of the Chair, the WHO Regional Director for the Western Pacific, and Acting Director, Noncommunicable Diseases and Mental Health addressed the Committee.

The Committee noted the report contained in document A79/INF./6, as well as the related reports contained in document A79/5. The Committee then approved draft resolution EB158.R1: *Steatotic liver disease: a missing piece in the global noncommunicable disease response*, draft decision EB158(1): *Follow-up to the political declaration of the fourth high-level meeting of the General Assembly on the prevention and control of noncommunicable diseases and the promotion of mental health and well-being*, and draft resolution EB158(2): *Global action to advance health equity for people with haemophilia and other bleeding disorders*.

The group of agenda sub-items was closed.

Item 12.4

Universal health coverage

- Draft global strategy for integrated emergency, critical and operative care, 2026–2035
- Increasing availability, ethical access and oversight of transplantation of human cells, tissues and organs
- Rare diseases: a global health priority for equity and inclusion

The Chair opened the agenda sub-item and drew the Committee's attention to document A79/5. Delegates were invited to consider draft resolutions EB158.R2, EB158.R3, EB158.R4, EB158.R5 and draft decisions EB158(4) and EB158(5), recommended by the Executive Board as contained in document EB158/2026/REC/1. Comments were invited from the floor.

Discussion of this agenda sub-item was suspended and the meeting was adjourned.

4. Official side-events and other meetings

Official side-events and other meetings will be held during the World Health Assembly. These are listed on the governing bodies website:

https://apps.who.int/gb/ebwha/pdf_files/WHA79-other-meetings/A79_other_meetings.pdf

5. Arrangements for conduct of discussion in meetings

Verbal statements

Member State delegations are asked to observe the time limit for verbal statements during the sessions: individual statements by Member States and Associate Members will be limited to **two minutes** (220 words), Regional and group statements will be limited to **three minutes** (330 words).

Statements by Observers, invited representatives of the United Nations and other participating intergovernmental organizations, and non-State actors in official relations with the Organization will be limited to **one minute** (110 words). Non-State actor constituency statements will be limited to **two minutes** (220 words).

To ensure that statements are interpreted as clearly as possible, delegates are requested to submit a copy of their statements at least **30 minutes** in advance by email to interpret@who.int.

Written statements

Member States and Associate Members are invited to submit written statements for posting on the website in the language of submission in accordance with the guidelines for written statements in decision WHA75(12).

Observers, invited representatives of the United Nations and of other participating and intergovernmental organizations are also invited to submit written statements in accordance with those guidelines. Non-State actors are invited to submit written statements as per the practical information for representatives of non-State actors in official relations with WHO.

In accordance with the guidelines, statements may be provided in any of the six WHO official languages and should be limited to 500 words for individual statements and 800 words for group statements. They should be submitted to statements@who.int, (non-State actors are asked to copy nsastatements@who.int), clearly indicating the relevant agenda item or sub-item in the subject line.

Interpretation

Interpretation will be provided in the official languages (Arabic, Chinese, English, French, Russian and Spanish) to help delegates to follow the discussions. Delegates are requested to speak clearly and at a moderate speaking pace to enable clear and accurate interpretation. Copies of all statements should be submitted at least 30 minutes in advance by email to interpret@who.int. Clearly indicate the name of the country delegation/group in the subject line of the email.

Note: a statement of three minutes at a moderate speaking pace is equivalent to approximately 330 words.

6. Announcements

Video streaming

The public sessions will be [webcast](#) in the six UN languages. The webcasts can be viewed on Mac and PCs, as well as all mobile devices including iPhone, iPad, Android and Windows-enabled phones.

Documents

Documents for the World Health Assembly can be accessed on the Internet through the WHO website (https://apps.who.int/gb/e/e_wha79.html).

WHO Bookshop

The WHO bookshop is located at WHO Headquarters, on the lower level mezzanine (sous-sol 1) of the main building (Building A), next to the café “A place to be”. The latest publications and information products issued by WHO and its regional offices are available at a 50% discount. WHO souvenirs are also on sale. During the Assembly period, the bookshop operates with extended hours, open Monday through Friday from 09:00 to 12:00 and from 13:00 to 19:00.

WHA App

The World Health Assembly application allows you to receive updates on the WHA79 programme of work and access documentation directly on your mobile device. Scan the QR code or search for “**WHO Meetings**” in the Apple or Google Stores on your phone.

Please note that you should uninstall previous versions of the WHA app.
