EXECUTIVE BOARD
109th Session
Provisional agenda item 5.1

EB109/20
20 December 2001

Status of collection of assessed contributions including Members in arrears to an extent which would justify invoking Article 7 of the Constitution

Report by the Director-General

BACKGROUND

1. In order for WHO to deliver the approved programme budget in full, contributions from Member States must be received in full and on time. Payments are called for annually and are due as of 1 January for the year to which they relate. Late payment has been of serious concern to successive Executive Boards and Health Assemblies.
2. The reference date of data contained in this report is 30 November 2001. The status as at 31 December 2001 will be presented orally at the Administration, Budget and Finance Committee and subsequently to the Executive Board.
3. At 30 November 2001, the rate of collection for the year was 83%, the highest for over 10 years (see Annex 1). This compares to 67% at 30 November 2000. As at 30 November 2001, 118 Member States had paid in full; a further 26 Members had paid in part (see Annex 1, Figure 2).
4. Annex 2 shows the status of collection of annual regular budget contributions as at 30 November 2001, and lists all amounts due from each Member State, up to and including 2001. Unpaid contributions include amounts that are due as at 30 November 2001, and amounts due under special arrangements authorized by the Health Assembly but which may be paid in the future under an instalment scheme. On 30 November 2001 a total of some US\$ 152 million was owing from Member States, including some US\$ 6.1 million due under special arrangements referred to above (see Annex 2, Sections 2 and 3). The equivalent total owing at 30 November 2000 was US\$ 283 million.
5. Despite the improvement in the rate of collection for 2001, programme activities could not be fulfilled without recourse to internal borrowing and the Working Capital Fund. The continuing high amount due for earlier years continues to inhibit efficient management and reform in WHO.
6. Payments received in advance for 2002 are currently slightly lower than for 2001 (see Annex 2, Section 4). Sixteen Members have paid their contributions in full for 2002, whereas 21 had paid in advance by 30 November 2000.

7. Article 7 of the Constitution states that “If a Member fails to meet its financial obligations to the Organization ... the Health Assembly may ... suspend the voting privileges to which a Member is entitled”.

8. In accordance with previous Health Assembly resolutions, the voting privileges of the 23 Member States listed in Annex 3 have been suspended, the suspension to continue at the Fifty-fifth and subsequent Health Assemblies until the arrears have been reduced to a level below the amount which would justify invoking Article 7 of the Constitution. As at 30 November 2001, none of these Member States had yet made payments that would result in the restoration of their voting privileges.

9. Pursuant to the adoption by the Fifty-fourth World Health Assembly of resolution WHA54.5, the voting privileges of Belarus, Burundi, Djibouti, Democratic Republic of Congo, Guinea, Suriname and Togo will be suspended as from the opening of the Fifty-fifth World Health Assembly in May 2002 if at that time these Members are still in arrears in the payment of their contributions to an extent which would justify invoking Article 7 of the Constitution. As a result of a payment made in June 2001 of US\$ 337 500, the arrears of Peru, which was originally included in the list of countries concerned by WHA54.5, have been reduced below the amount which would justify invoking Article 7 in May 2002.

10. Five other Members are in arrears in the payment of their contributions in amounts which equal or exceed the amounts due from them for the preceeding two full years, as listed in Annex 3.

11. Pursuant to resolution WHA41.7, unless there are exceptional circumstances justifying a different measure, the Fifty-fifth World Health Assembly will adopt a decision under which the voting rights of these Members will be suspended as from the opening day of the Fifty-sixth World Health Assembly in May 2003, if at that time the Members concerned are still in arrears to the extent referred to in paragraph 10 above.

12. The Director-General will report further to the Administration, Budget and Finance Committee of the Executive Board on the five Members referred to in paragraph 10 immediately before the opening of the Fifty-fifth World Health Assembly so that the Committee can formulate recommendations to the Health Assembly based on the provision of resolution WHA41.7 and the status of the arrears at that time.

13. One Member subject to Article 7, the Dominican Republic, has submitted a request to reschedule its arrears of assessed contributions (see Annex 4). The total arrears due for the prior year amount to US\$ 894 918. The Dominican Republic proposes to pay these arrears over a period of 10 years at the rate of US\$ 89 492 per year, and to pay current year assessments when due. The Dominican Republic has advised the Secretariat that it expects to be able to meet these financial commitments should this payment plan be accepted.

14. The Regional Committee for the Eastern Mediterranean at its 48th session requested by resolution EM/RC48/R.11 that consideration should be given to waiving the arrears owed by Somalia up to 13 August 2000 (see Annex 4), when a Transitional National Government was established. Somalia is also currently subject to Article 7.

15. The total amount owed by Somalia up to the beginning of the biennium 2000-2001 is US\$ 374 823. A further US\$ 8 400 is outstanding for the biennium 2000-2001.

16. Notwithstanding the improvement in the overall rate of collection of assessed contributions, the Director-General will continue her efforts to collect the unpaid arrears of contributions from the Members concerned.

ACTION BY THE EXECUTIVE BOARD

17. The Executive Board is invited:

- (i) to note the contents of this report concerning the status of collection of assessed contributions;
- (ii) to consider the proposal made by the Dominican Republic and make recommendations to the Fifth-fifth Health Assembly as to whether this payment plan should be accepted, in which case the voting privileges of the Dominican Republic may be restored;
- (iii) to consider the proposal submitted in respect of Somalia by the Regional Committee for the Eastern Mediterranean and make recommendations to the Fifty-fifth World Health Assembly.

ANNEX 4

Translated from Spanish

Ministry of Health and Welfare

011295

10 May 2001

Dear Dr Brundtland,

In August 2000, the presidential elections in the Dominican Republic were won by the Dominican Revolutionary Party. The Party has formed the new Government and finds itself with an accumulated debt to the World Health Organization, carried over by previous Governments, of US\$ 957 988 as of 1 January 2001.

My country has every intention of settling this debt, and suggests a payments schedule to enable it fully to meet its commitments and thus recover its lost voting rights.

In fulfilment of my duties as Minister of Health, I hereby enclose in annex the proposed payments schedule which, as in the case of the commitment made during my previous period in office in 1978, we intend fully to honour.

Please accept, Madam, the assurances of my highest consideration.

(signed)

Dr José Rodríguez Soldevilla
Minister of Health and Welfare

**EM/RC48/R.11
October 2001**

Forty-eighth Session

SCALE OF ASSESSMENTS

The Regional Committee,

Having noted the paper on scale of assessments;

Having reviewed the scale of assessment adopted by WHA54.17;

Acknowledging that Somalia faced a unique situation in which there was no government for more than 10 years and that the country still faces extraordinary hardship;

Noting further that the Transitional National Government has now been in place for more than one year and has started to rebuild the legal framework of Somalia, progressively re-establishing stability;

REQUESTS the Director-General to bring to the attention of the Executive Board the commitment undertaken by the Republic of Somalia at the Forty-eighth Session of the Regional Committee for the Eastern Mediterranean to make all efforts to pay its assessed contribution on time;

REQUESTS the Director-General to request the Executive Board to recommend to the World Health Assembly the writing off of Somalia's arrears for the years up to the date at which the Transitional National Government was established.
