## **Status of collection of assessed contributions**

### **Report by the Director-General**

#### **STATUS OF COLLECTION**

1. In order for WHO to deliver the approved programme budget in full, contributions from Member States must be received in full and on time. Payments are due annually as of 1 January for the year to which they relate. Late payment has been of serious concern to successive Executive Boards and Health Assemblies.
2. At 31 December 2003, the rate of collection for the year was 90% compared to 82% at 31 December 2002 (see Annex 1, Figure 1), with 132 Member States having paid in full and a further 22 Members having paid in part (see Annex 1, Figure 2).
3. Annex 2 shows the status of collection of annual regular budget contributions as at 31 December 2003, and lists all amounts due from each Member State, up to and including 2003. Unpaid contributions include amounts that are due as at 31 December 2003, and amounts due under special arrangements authorized by the Health Assembly but which may be paid in the future under an instalment scheme. On 31 December 2003, a total of some US\$ 118 million was owing from Member States, with a further US\$ 14 million due under special arrangements referred to above (see Annex 2, Sections 2 and 3). The equivalent figures at 31 December 2002 were US\$ 153 million and US\$ 10 million, respectively.
4. The rate of collection in 2003 is the highest since 1985 – a very welcome development. Almost half the amount collected, however, was received in the last two months of the year, and, as a result, the Organization made substantial use of the Working Capital Fund and internal borrowing during the year.
5. The total value of payments received in advance for 2004 is higher than for 2003 with more Member States having paid in advance than had paid at the same time last year: 31 Member States have paid their contributions in full for 2004 (see Annex 2, Section 4) whereas, on 31 December 2002, 29 Member States had paid in full for 2003.

#### **MEMBERS IN ARREARS**

6. Article 7 of the Constitution states that “If a Member fails to meet its financial obligations to the Organization ... the Health Assembly may ... suspend the voting privileges and services to which a Member is entitled”.

7. In accordance with resolution WHA41.7, if at the time the Health Assembly opens a Member is in arrears in the payment of its financial contributions in an amount which equals or exceeds the amount of the contributions due from it for the preceding two full years, the Health Assembly will adopt a decision, unless there are exceptional circumstances justifying a different measure, under which the voting privileges of the Member will be suspended as from the opening day of the following Health Assembly, if at that time the Member is still in arrears to the extent referred to. If the Member is no longer in arrears to the said extent, the decision will lapse and the suspension will not take effect.

8. Pursuant to resolution WHA41.7, subsequent Health Assemblies have adopted resolutions whereby the voting privileges of the 23 Member States listed in Annex 3 have been suspended, the suspension to continue at the Fifty-seventh and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution. It is very pleasing to note that some Member States concerned by the application of resolution WHA41.7 have made significant efforts to resolve long-term arrears owed to the Organization. Nigeria, whose voting privileges had been suspended, has now fully paid its arrears and, as a result, its voting privileges are automatically restored. Ukraine has made a substantial payment in December 2003 towards its long outstanding arrears. Some other Member States continue to discuss the situation with the Secretariat with a view to finding a way to pay arrears owed to the Organization for assessed contributions.

9. Pursuant to the adoption by the Fifty-sixth World Health Assembly of resolution WHA56.10, the voting privileges of Belarus, Peru, Saint Lucia and Venezuela will be suspended as from the opening of the Fifty-seventh World Health Assembly in May 2004 if at that time these Members are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution.

10. Five other Member States and an Associate Member, namely Burundi, Guinea, Paraguay, Puerto Rico, Solomon Islands and Uruguay are presently in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as shown in Annex 3.

11. Immediately before the opening of the Fifty-seventh World Health Assembly, the Director-General will report further to the Administration, Budget and Finance Committee of the Executive Board on the Members and Associate Member referred to in paragraph 10 above so that the Committee may formulate recommendations to the Health Assembly based on the provisions of resolution WHA41.7 and the status of the arrears at that time.

12. If at that time the Members and Associate Member concerned are still in arrears to the extent referred to in paragraph 10 above and pursuant to resolution WHA41.7, the Fifty-seventh World Health Assembly will adopt a decision, unless there are exceptional circumstances justifying a different measure, by which the voting rights of these five Member States and one Associate Member will be suspended as from the opening day of the Fifty-eighth World Health Assembly in May 2005.

13. Resolution WHA56.34, adopted in May 2003, approved the establishment of an adjustment mechanism that will be available to compensate those Member States that experience an increase in their rate of assessment because of the change in the WHO scale of assessments for 2004-2005 and for 2006-2007, as compared with the WHO scale of assessments for 2000-2001. The amount of adjustment available to each Member State is limited to a maximum of 60% of the increase in 2004, a maximum of 40% of the increase in both 2005 and 2006, and a maximum of 30% of the increase in 2007. The sum of US\$ 12.4 million was appropriated under resolution WHA56.32 for the purpose of financing this mechanism for 2004-2005. In order to avail themselves of the mechanism, Member

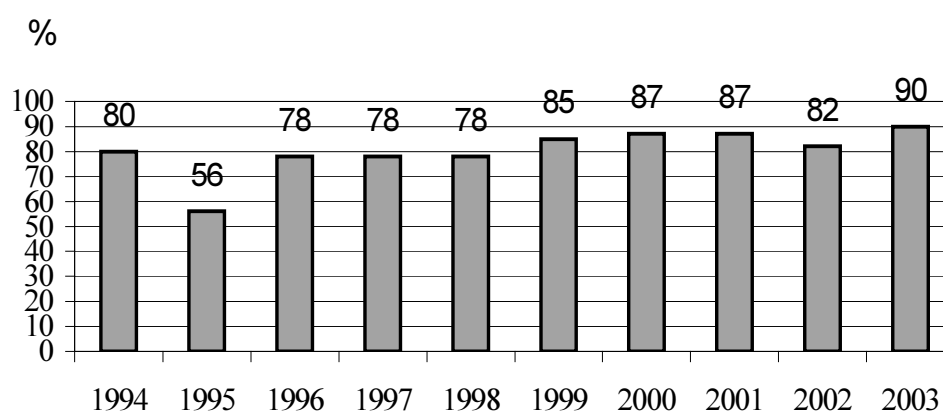

States were required before the beginning of the year concerned to notify the Director-General of their intention to benefit from the mechanism. A total amount of US\$ 7.7 million has been claimed by Member States for 2004. The net assessments for 2004 payable by the Member States concerned have been adjusted for the individual amounts claimed.
